

AGENDA
COMMITTEE OF THE WHOLE MEETING
BERLIN, WISCONSIN
TUESDAY, OCTOBER 3, 2017 - 7:00 P.M.
COUNCIL CHAMBERS - BERLIN CITY HALL

1. Call to order.
2. General Public Comments. Registration card required (located at podium in Council Chamber).
3. Raze or Repair Order: 107 W. Huron Street. RECOMMENDATION: Discuss and action as appropriate.
4. Article V: Abandoned and Junk Vehicles. RECOMMENDATION: Discuss and action as appropriate.
5. Uniform Deposit Schedule. RECOMMENDATION: Recommend to Common Council to approve the Uniform Deposit Schedule as presented.
6. Municipal Court Resolution. RECOMMENDATION: Discuss and action as appropriate.
7. 2018 Budget. RECOMMENDATION: Discuss and action as appropriate.
8. Motion to convene into closed session pursuant to Sec 19.85(1)(e), of the WI Statutes, to deliberate or negotiate the purchase of public property, investment of public funds or conduct other specified public business, whenever competitive or bargaining reasons require a closed session. *(1) Discussion on potential TID #15 Developers Agreement & 2) Update on negotiations with ThedaCare relative to EMS Contracts)*
9. Reconvene into open session and take appropriate action as a result of closed session discussion.
10. Adjourn.

Note: In adherence to the City of Berlin Public Meeting Participation Policy, public participation will be allowed under each agenda item at the discretion of the presiding officer, with the exception of the Consent Agenda. Attendees must register their intention to participate on either a general comments section or a specific agenda item prior to the meeting by filling out a Registration Card, which can be obtained from the Internet, City Clerk's office or in the City Hall Council Chambers at the podium. Registration Cards should be turned in prior to the meeting to either the presiding officer or City Clerk.

RE: Raze or repair order for 107 W. Huron Street

BACKGROUND:

Scott and I have walked multiple contractors through 107 W. Huron Street within the last couple of weeks and were unable to find a contractor that would give the City an estimate on repairing it. The contractors told us they will not put a specific cost on the repairs as it would just be time and materials. The contractors cannot give an accurate estimate as they are uncertain about the conditions of the building. It may be a few repairs once they start or it may require the whole interior to be removed and build it back up. The contractors that looked at the building said they would not bid on the project if the City decided to repair it. A couple of roofing companies looked at it and they would not put a new roof on until a different company would structurally fix the roof. We are waiting to get the quotes back on razing the building from contractors and will provide them at the meeting. The current assessed value is \$74,600 and total taxes \$1,963.43 per year from the property. Of the \$1,963.43, the City is receiving \$654.88 per year from the property. Currently the owner has not paid the taxes in full for 2015 and 2016.

RECOMMENDATION:

Discuss and action as necessary.

DATE: September 27, 2017

TO: Common Council

FROM: Lindsey Kemnitz

RE: Article V. Abandoned and Junk Vehicles

Officer Krause and I have been working together on multiple nuisance abatement cases throughout the community and have come across a couple of ordinances that need to be updated. Within the abandoned and junk vehicles ordinance there is an exception section and that excludes seasonal use vehicles and collector licensed vehicle to not comply with the ordinance. So if a property has a vehicle that has a collector license plate on it, the vehicle can be stored outside and does not need to be operable. Also if there are old campers, snowmobiles, motorcycles, etc. they can be stored outside even if they are inoperable. Another concern came up, if the inoperable vehicles are on an operable trailer, can they be allowed to be stored out in the open or are they still considered an inoperable vehicle? I am seeking Common Council to give staff the approval to start researching other community's ordinances, to not allow the outdoor storage of an inoperable seasonal use vehicle and collector license vehicle. Below is the ordinance that specifically states the exceptions:

Sec. 70-313. - Exceptions.

This division shall not apply to motor vehicles or motor vehicle accessories stored within an enclosed building or on the premises of a business enterprise operated in a lawful place and manner in a properly zoned area when necessary to the operation of such business enterprise, in a storage place or depository maintained in a lawful place and manner, or seasonal use vehicles such as snowmobiles, motorcycles, motor scooters and nonmotorized campers, provided such vehicles are stored in compliance with ordinances. Motor vehicles registered pursuant to Wis. Stats. §§ 341.265 and 341.266 shall also be exempt from the provisions of this division. In other situations the common council may issue temporary permits permitting an extension of not to exceed an additional 30 days' time to comply with the provisions of this division where exceptional facts and circumstances warrant such extension. Such temporary permits shall not be renewable.

RECOMMENDATION:

Discuss and action as necessary.

REF: 2018 Uniform Deposit Schedule

Please be advised I have reviewed the current Uniform Deposit Schedule for the City of Berlin. Several years ago the City of Berlin Police Department switched from handwriting citations to offenders to all citations be done electronically, printed and issued. With that said our old version of the fee schedule had to be changed and put into a new format to work electronically.

Attached is a lengthy document that contains the fee schedule for the majority of citations issued in the City of Berlin. As you will see the fine amount is the actual amount an offender would have to pay if found guilty of an offense. This total includes all required by law court cost.

We have not changed any of our base fine amounts and I am requesting that all base fine amounts remain in place.

Sincerely,

Kevin J. Block
Captain of Police

RE: Municipal Court Resolution

BACKGROUND: As per the attached documents, the Village of Rosendale intends to start its own Municipal Court in 2019 and wishes to withdraw from Lakeside Municipal Court (LMC) at that time. According to the terms of our LMC Agreement between the participating municipalities, *"The Agreement shall commence upon the adoption by all entities of the Lakeside Municipal Court and remain in effect for a period of two (2) years. This Agreement shall automatically renew for additional one (1) year periods, except that any party may with 180 days written notice, provide notice of termination of its participation in this Agreement and thereby the municipal court."*

Therefore, the proposed resolution Rosendale provided, or any variation of it, **is not required** to be passed. Judge Jaye responded that *"Some may think that putting such a resolution on their agendas is a necessity. And, in reality, the resolution has no effect on Rosendale's intended departure except to maybe offer "validity" or "affirmation" when they are dealing with the chief judge and the director of state courts."* It is up to the Common Council if they choose to pass a resolution as a courtesy or not, but will have no impact on Rosendale staying or leaving LMC.

The following municipalities will remain participating members of LMC: Village of North Fond du Lac, Village of Brandon, Village of Campbellsport, Village of Fairwater, Village of Oakfield, the City of Fond du Lac, and the Town of Ripon, Town of Empire, Town of Taycheedah, and Town of Osceola in Fond du Lac County and the City of Berlin, City of Green Lake, City of Markesan and City of Princeton in Green Lake County. LMC has indicated that this will not impact or interrupt our current service for municipal court.

RECOMMENDATION: Discuss and action as appropriate.

RE: Village of Rosendale
Lakeside Municipal Court

Dear Ms. Olson,

As you may be aware, in 2015, Rosendale adopted an ordinance to create its own Municipal Court and sever its ties with Lakeside Municipal Court. At the time, Lakeside Municipal Court Judge Jaye was in the midst of a judicial term and it was determined that Rosendale's Municipal Court would not be certified. The Village of Rosendale is now renewing its efforts to create its own Municipal Court in advance of the Spring 2019 elections.

Please consider this letter as formal notice that the Village of Rosendale intends to withdraw from the Lakeside Municipal Court.

Rosendale has been advised by the District Court Administrator to ask all constituent municipalities of the Lakeside Municipal Court to pass resolutions accepting Rosendale's position. I have therefore prepared the enclosed draft resolution with the language we are seeking; while Rosendale cannot "force" you to pass the resolution in its current or modified form, Rosendale would consider it a great courtesy.

Please contact me directly with any questions you may have regarding this process.

Sincerely,

Duane Ciske,
Village President

**CITY OF BERLIN
RESOLUTION #**

**A RESOLUTION APPROVING THE WITHDRAWAL OF THE
VILLAGE OF ROSENDALE FROM LAKESIDE MUNICIPAL COURT**

WHEREAS, the Village of Rosendale is a member of Lakeside Municipal Court; and

WHEREAS, Village of Rosendale has provided notice to this City of its intent to leave the Lakeside Municipal Court per Wis. Stat. § 755.01; and

WHEREAS, the City has accepted this notice and will accommodate the Village of Rosendale leaving Lakeside Municipal Court;

NOW, THEREFORE, the Common Council does resolve as follows:

RESOLVED, that the Common Council does hereby accept the Village of Rosendale's withdrawal from Lakeside Municipal Court provided Village of Rosendale follows the procedures set forth in Wisconsin Statutes Chapter 755; and

FURTHER RESOLVED, that the City of Berlin shall retain membership in Lakeside Municipal Court and shall not cease operations thereof.

Dated this ____ day of _____, 2017.

Passed and Approved: _____

Richard Schramer - Mayor

RE: 2018 Budget

BACKGROUND: I have met with all department heads regarding 2018 budgets and the proposed budgets are going thru the various committees, boards and commissions.

At this time, I just need to make sure I have everything included that we discussed during the year and any other items you wish to entertain.

1. Please see the attached letter from the Berlin Historical Society, which does request an increase in the \$2,000 annual donation.
2. Post-Retirement Health Insurance benefits were increased from \$15k to \$80k due to recent/anticipated retirements. This is an estimate-we do not know if this will be enough.
3. Council salary increases included: Mayor increased by \$100/mo and Alderpersons increased by \$50/mo starting after April elections.
4. Staff wage increases at 2.5% - union and non-union both.
5. Health insurance remained level due to increased deductible.
6. Property and Liability insurance increase of 30% has been accounted for.
7. Property Issues:
 - a. Old Safeguard Property: This building needs to come down. Do you wish to budget the razing in 2018? Funding would need to come from TID#15; however, the general fund will need to advance some or all of the monies to the TID as we are anticipating potential significant expenditures to be made out of the TID for other purposes.
 - b. 107 W. Huron Street: Determine what action will be taken and who bears the cost. It is highly unlikely money put into this property by city taxpayer dollars will ever be recouped.
8. Contract Expirations:
 - a. 2018 will be the last year for the current shortfall agreement with Thedacare. They will pay up to \$120k in ambulance shortfall in 2018. Any shortfall exceeding that amount will be split between the participating municipalities.
 - b. 2018 is the last year on our Garbage and Recycling contract with Advanced Disposal. We will need to go out for bids again in 2018.
 - c. 2018 is last year of the police union contract. Wage increases are at 2.5% and protective employees will begin paying 100% share of the employee portion of Wisconsin Retirement. We will have union negotiations in 2018. I would like to carry

over any unused special legal counsel unspent funds in 2017 to contribute towards the 2018 budget.

9. The Water & Sewer Utility needs to do water and sewer work in the 5th ward (includes removal of lead and iron services and 4" mains) in 2018:

- Webster Street (Smith-S. Kossuth)
- Smith Street (Broadway to Elm)
- Elm Street (Washington – Jefferson)

Although the Utility will pay for a large portion of these projects, it is not allowed for a utility to pay for the portion of the road that is not disturbed due to the utility project. Therefore, they may pay for the project upfront, but the city has to pay the Utility for a portion of the road. This is expected to be around \$400k which can be paid back over time. I would need to build this into our debt service.

10. Capital Projects/Equipment:

- a. EMS needs a new Med1 vehicle and defib unit: Cost is estimated to be \$70k (to be split with the towns) Our share would be approximately ½ and can come out of what has already been set aside for ambulances. It is expected we will have to get a new ambulance in 2019. Lenny has indicated we should be good for another year.
- b. New taxi purchase is included (grant pays for 80%)
- c. Monies to be set aside for future capital projects: Pedestrian bridge repair (2019), Spoors Bridge, Ripon Road construction (2020)
- d. Monies to be set aside for future major equipment purchases: squad car (2019), portable PD radios, Command Truck, ambulance replacement (2019)
- e. Without additional borrowing or reserve utilization, there is no room in the budget for any other projects.

11. We will recoup approximately another \$175k from TID#10 against its advance which will help offset the 2018 budget.

RECOMMENDATION: None. Discussion only.

BERLIN AREA HISTORICAL SOCIETY

P O BOX 83
BERLIN WI 54923

September 25, 2017

Berlin Common Council Members,
Mayor and City Administrator

Dear Members,

We know that you are starting to review the budget for 2018. The Berlin Area Historical Society would like ask for your continued support of our organization and our mission, which is the preservation of Berlin's history. We much appreciate your past support of \$2,000 and would request at least that amount in this new budget. We have had to do some major repairs to our buildings this year so if you can see your way clear to add a little more that would be appreciated also.

The Berlin Area Historical Society maintains four buildings; The Museum of Local History at 111 S. Adams St.; the Kroll Bottling Works building next door; the former Huser Blacksmith Shop on Franklin St. that houses our 'Transportation and Tools' collections; and the one-room Clark School in Riverside Park.

We provide tours to both the museum campus and Clark School for two grades of the public school, hosting 191 students this year. Our members hold open house during the summer months on a regular basis or special tours by request. Our museums and collections have become a destination for myriad of visitors to Berlin. Our guest book shows visitors from Arizona, California, Florida, Illinois, Michigan, and Rhode Island plus 14 separate locations around Wisconsin and Berlin for about 76 folks. We also hosted a bus tour in May and will have another in October for about 55-57 visitors. With our shared genealogy records with the Berlin Public Library, people interested in finding their roots travel to Berlin for a day or more, patronizing Berlin businesses during their visit.

This winter we sponsored 'Look Up Berlin' to promote interest in downtown businesses and their historic buildings. In May we assisted the Community Development Director with the statewide Downtown Open House. We also publish a newsletter four times a year to keep the community informed of our activities.

Thank you again for your continued support of our mission of preserving Berlin history.

Sincerely,

Lee A. Erdmann, Pres.
Berlin Area Historical Society
