

## OAKWOOD CEMETERY MEMORIALS AND BEQUESTS

Oakwood Cemetery is the special place it is today only because of the kind gifts, bequests, and futuristic efforts of the numerous Berlin area people who have gone before us. Through the kindness of past benefactors, Oakwood Cemetery has been able to maintain and enhance the beauty of our lovely cemetery. Anyone wishing to make a donation to Oakwood Cemetery to help continue in this effort is welcome to do so by sending donations to:

Oakwood Cemetery Board  
Office of the Secretary  
108 N. Capron St.  
Berlin, WI 54923  
920-361-5400

The Oakwood Cemetery Board will ensure that any donation or will bequest will be honored as per your specific wishes. Here are some suggested donation fund ideas:

### **Chapel beautification**

Maintaining this historic structure and its chimes is an ongoing project.

### **Memorial Day planting fund**

The annual planting of the flowerbed at the entrance enhances the beauty of the entire Cemetery. The addition of future flowerbeds is another worthy project.

### **Headstone cleaning and repairs fund**

The board arranges for complete cleaning, straightening, and repair of our historic gravesite headstones. Many historic people buried in Oakwood no longer have relatives to maintain these graves, so your funds could contribute to keeping these graves well maintained and readable.

### **Tree fund**

Each year, the board attempts to not only replace lost or damaged trees, but to plant trees in the newer areas of the cemetery. This continues the tradition of beauty in the cemetery, and there can be no more lasting tribute than a growing, living tree or flower.

### **Land acquisition fund**

With future needs in mind, the board has acquired additional land for cemetery expansion. Donations of land or money to this fund will assist us in attaining this worthy goal.
