FOREWORD

The City of Berlin participated in the Community Development Block Grant (CDBG) CLOSE program to buy out all outstanding loans in 2021. On February 9th, 2021 the Common Council approve to continue to utilize the business RLF repayments to assist business development and growth in the City of Berlin through RLF with Berlin Community Development Corporation as the reviewing and oversight body and final approval required by Common Council. The business, in return for use of the public funds, provides private investment towards the assisted activity and most importantly creates job opportunities.

When a business repays the community the loan (principal and interest payments), these funds are classified as program income and used to capitalize a local revolving loan fund (RLF). With the RLF, the community can make additional loans to businesses wishing to expand or locate in the community. When successfully administered, the community's revolving loan fund can expand the amount in its RLF to an amount in excess of the original amount it was able to retain. This happens when the community exercise due diligence by performing a thorough credit analysis to determine business viability and adequately securing and servicing the loan.

- (6) To encourage the development and use of modern technology and create safe work environments.

1.4 AMENDMENTS and MODIFICATIONS

SECTION 2. ADMINISTRATION

2.1 LOAN REVIEW BOARD

- (1) The City of Berlin (City) has designated the Berlin Community Development Corporation (BCDC) (hereafter referred to as the "Administrator") to administer the revolving loan fund in accordance with this Manual. The Board of Directors of the BCDC will act as the "Loan Review Committee". If any Board member has a conflict of interest with the applicant in question, he/she must abstain from both the discussion and vote. A majority vote of all present members is required.
- (2) The Administrator shall have the authority to review, select and recommend loan applications to the City of Berlin Common Council (hereinafter "Common Council") for final approval. The Administrator shall also have the authority to make policy recommendations for the administration of the program. Periodic activity reports prepared by the Administrator shall be provided to the Common Council.
- (3) The Administrator (or administrative appointee) shall explain the Program to prospective applicants, provide written information, assist applicants in completing applications, and process requests for financing. The Administrator (or administrative appointee) where necessary and appropriate, shall counsel or guide loan applicants to other more appropriate technical and financial resources when the loan applicant has needs beyond those available from the RLF program.

- (4) The Administrator shall periodically review all financial statements and loan amortization schedules of RLF loan recipients, review and approve documentation of business expenditures financed with RLF proceeds, record RLF security instruments, maintain the RLF accounting records which shall be segregated from other community accounts, and report annually to the Wisconsin Economic Development Corporation regarding the use of the RLF funds.
- (5) The City of Berlin Attorney shall prepare all loan agreements, review all promissory notes and mortgage or lien instruments, and counsel the Administrator and the City on default matters.
- (6) The Administrator shall be responsible for the maintenance of all other records for the local RLF, particularly those related to the expenditures of the RLF monies for program administration purposes.

2.2 MEETINGS

Loan review meetings shall be held by the Administrator board on an as-needed basis. Pursuant to Chapter 19.84, of the Wisconsin Statutes, the Administrator board, for purposes of its activities related to the RLF program, shall be deemed a "governmental body" and shall be subject to compliance with Wisconsin open meetings laws. A majority of the Administrator board members in attendance at a meeting constituting a quorum shall be required for official Administrator action to take place in regard to the RLF program. Official actions must have the support of the majority of the total Committee. Vacant positions on the Committee shall be counted in determining the total number of Committee members.

2.3 RECORDS

Written records of all program activities, including program meetings, loan applications, and related documents, shall be maintained in appropriate files. All files should be maintained in a secure place with limited access by authorized personnel. The City of Berlin Attorney shall be consulted in regard to compliance with state and municipal open records laws.

The following files shall be established and maintained for each loan recipient:

- (1) Loan Application File: This file contains all application, business financial statements, personal financial statements, credit reports, business plan documents, and other supporting loan information submitted to the Administrator, including all applicable correspondence.
- (2) Loan Recommendation File: This file should contain a summary of the analysis, recommended actions for the application, and a copy of the minutes for the Administrator board meeting(s) summarizing the action taken on the loan request.
- (3) Loan Closing File: This file contains copies of all loan-closing documents. This file contains all the legal documents from the loan closing, including security instruments, the note and other applicable correspondence and shall be placed in a locked, fireproof safe. The City Attorney should be involved in helping create and complete this file to insure complete loan documentation. Copies of the loan closing documents and an amortization schedule will be provided to the loan recipient, along with an invoice, if applicable, for loan closing and servicing fees.
- (4) "Tickler File" System: A tickler file system should be established and maintained to ensure that loan repayments, financial information, the loan agreement, UCC updates, and other time sensitive documentation requirements are tracked and obtained as required. The system should include the following monthly coded index files:
 - (a) Expiration dates for property, casualty and life insurance policies;
 - (b) Due dates for all financial statements;

- (c) Expiration dates for UCC financing statements, the reminder to update being at least 45 days prior to the expiration of the UCC filing on hand;
 - (d) Scheduled dates of annual loan performance and covenant reviews;
 - (e) Dates for site visits;
 - (f) Due dates for property tax payments and dates by which the City expects to hear from the borrower regarding confirmation of payment of taxes;
 - (g) Review dates for job monitoring; and
 - (h) Dates on which loan recipients will be notified of scheduled changes in the loan amortization scheduled per loan agreements.
- (5) Financial Statement File: This file should contain the loan recipient's periodic financial statements as required by the loan covenants with a statement indicating that the Administrator reviewed the data.
 - (6) Progress Report File: Loan recipients should be required to submit periodic progress reports during the outstanding term of the loan. The Administrator (or administrative appointee) should make periodic site visits to verify information in the progress report and financial statements. These site visits should be documented for the file.
 - (7) Site Visit File. Site visits should be conducted periodically to each loan recipient, the scheduling of which depends on the nature of the project. A summary of the site visits should be placed in the file, particularly highlighting any information that can help in rating the overall condition/risk of the loan.
 - (8) Repayment Monitoring File: This file should include the loan amortization schedule, status of payments, and the outstanding balance of the loan. Observations suggesting concerns or problems should be reported to the Administrator board, and notations shall be placed in the tickler file to remind the Administrator of the need to provide continued monitoring. If payments are made to an office (i.e. controller's or clerk's), there needs to be in the file receipts of payments and there needs to be a system in place to insure the timely notification of payments to the Administrator. The Administrator (or administrative appointee) shall notify the loan recipient in writing of any deficiency (such as a missed payment), and the action that needs to be taken to correct the deficiency. Should there be a late payment, the Administrator (or administrative appointee) shall contact the loan recipient to determine the reason for the delayed payment. Contact may need to be made with other participating lender(s) to determine if their loans are current and to alert the lender of a potential problem. All payments shall be applied first to accrued late payment penalties, then to interest accrued, and then to principal.
 - (9) Loan Review File: All loans are to be reviewed on an annual basis, and at such other times as may be deemed necessary by the Administrator or the City. The review should follow receipt of the fiscal year-end financial statements, the year-end progress reports, and site visits. A report on the loan review shall be in the file and address the following: timeliness of monthly payments; condition of collateral securing the loan and status of security documents (i.e. mortgages, UCC filings); overall financial condition of the business; the presence of material liens or lawsuits; and violations of loan covenants and suggested corrective actions.

If the loan recipient is experiencing problems with any of the above criteria, the Administrator (or administrative appointee) is to work with the loan recipient to identify actions that are needed to correct the identified deficiencies, including possible restructuring of the loan to protect the City's interest and meet the needs of the loan recipient. If appropriate, the Administrator shall arrange for business assistance, including services available through the University of Wisconsin-Extension, Small Business Development Center (SBDC), the Service Corp of Retired Executives (SCORE), and other entities having an interest in serving the needs of businesses.

In the event the findings of the loan review suggest serious problems, particularly if the loan is at risk for default, the account should be turned over to the City Attorney for legal action in order to initiate steps necessary to protect the loan and to ensure the maximum repayment of the balance due. Again, corrective actions may be achieved through restructuring or if necessary, foreclosure actions.

2.4 ADMINISTRATION

Reasonable administrative funds may be withdrawn from the RLF to cover personnel costs and other administrative expenses. Local funds may be used in situations when loan repayments are insufficient to cover administrative costs. Administrative expenses of up to fifteen (15) percent of program income may be used for direct loan administrative costs.
