RE: Police Department Equipment Purchase Out of Prior Year Assigned Funds

BACKGROUND: As you recall, with 2020 being such a unique year, and not having a police chief in place, the police department held off on some equipment expenditures until a new chief was in place. Since these monies were carried over under special circumstances, they are held in a separate fund and are specifically Assigned for only PD equipment purchases. Council permission is needed for the PD to utilize these funds. The one-time carryover amount for the PD assigned equipment is \$93k.

One of the purchases held off on were rifles. The Police & Fire Commission reviewed the Police Chief's request to purchase 5 rifles and 7 optics for the department at a cost of \$7,875.33 minus a \$1,200 credit for existing rifle trade-ins.

<u>RECOMMENDATION:</u> Accept the Police & Fire Recommendation for weapons equipment purchase out of prior year committed funds (15-34157) up to \$7,875 minus trade-in value of old rifles.

RE: 2021 Budget Adjustment for 2020-2021 Contract Year Legal Expenses

<u>BACKGROUND:</u> The City Attorney contract for 2020-2021 (May 1-April 30) calls for 600 hours of legal services from Chier Law LLC. The City therefore budgets for 600 hours annually for City Attorney salaries (plus expenses) for approximately \$72,000. Total hours for the contract year ended up at 1084.4, so an additional 484.4 hours are owed to Chier Law LLC. Under the terms of the contract, this equates to an additional \$70,444.40.

In reviewing the hours over the past contract year, the increase in municipal court, nuisance violations and number of ordinance changes were the largest contributing factors to the significant overage. Here were some of the larger hour usages:

349.2 Municipal Court

299.5 Ordinances (22 ordinances were passed)

59.3 Nuisance Abatement/Raze Orders

45.6 Public Meetings

37.2 Ducks Unlimited/Bohn Property

We do not have nearly enough in contingency to cover such a significant overage. Therefore, the option is to adjust the budgeted expenditure line item and hope that the actual expenditures in the other overall line items in the budget can make up the \$70k when all is said and done at year end. If the actual expenditures do not come under what was budgeted by \$70k, the balance will come out of the general fund balance. The general fund balance is stable so it will not be a financial issue, however, this will definitely be a problem if it continues.

We could take \$30k from Contingency fund, but we would still be short \$40k. If we end up not needing any contingency funding this year that will at least help.

<u>RECOMMENDATION:</u> 1) Motion to bypass Committee discussion on this item; and 2) Review and approve Resolution #21-13Authorizing 2021 Budget Adjustment for Legal Expenses Exceeding City Attorney Retainer for Contract Year 2020-2021.

RESOLUTION #21-14

A RESOLUTION AUTHORIZING 2021 BUDGET ADJUSTMENT FOR LEGAL EXPENSES EXCEEDING CITY ATTORNEY RETAINER FOR CONTRACT YEAR 2020-2021

WHEREAS the 2020-2021 City Attorney retainer contract with Chier Law Office LLC is based on and budgeted for 600 hours of legal service; and

WHEREAS legal services rendered by Chier Law Office LLC for the 2020-2021 contract year exceeded the 600 hours by 484.4 hours creating a supplemental fee due based on the contract language;

IT IS HEREBY RESOLVED that the general fund cash reserves will be applied to cover the increase; and

IT IS HEREBY FURTHER RESOLVED that the 2021 Budgeted line item 10-51-30000-110 City Attorney Salaries be increased by \$70,444.40.

Passed, approved and adopted this 10th day of August, 2021.
