FOREWORD

Rural Business Enterprise Grant (RBEG) funds are received from the U S Department of Agriculture Rural Development (USDA – RD) as a grant to the Berlin Community Development Corporation (BCDC) to assist or facilitate development of small rural private businesses. The BCDC has decided to use the USDA-RD grant to fund a revolving loan (RLF) program for small emerging private businesses, which is one of the eligible uses of such grant funds. Small emerging private businesses are businesses with less than \$1 million in revenues and which will have fewer than 50 new employees. Businesses assisted must be located in the BCDC service area.

When a business repays the BCDC a loan (principal and interest payments) under the BCDC’s RBEG RLF program, these funds are classified as program income and used to capitalize the RLF. With the RLF, the BCDC can make additional loans to small emerging private businesses wishing to expand or locate in the BCDC service area. When successfully administered, the BCDC can expand the amount in its RBEG RLF to an amount in excess of the original amount it was able to obtain from the USDA-RD grant. This happens when the BCDC exercises due diligence by performing a thorough credit analysis to determine business viability and adequately securing and servicing the loan. In administering a RBEG RLF, the BCDC becomes a “Bank” and accepts all of the responsibilities of a commercial lender when it makes an RBEG RLF loan to a business.

SECTION 1. GENERAL PROVISIONS

1.1 PURPOSE

The purpose of the policies and procedures contained within this manual, hereafter referred to as the BCDC RBEG RLF Manual, is to present the criteria applied to the small rural private businesses assisted with funds made available through the BCDC's RBEG RLF program.

1.2 OBJECTIVES

Loans made under the BCDC's RBEG RLF program are intended to assist or facilitate development of small emerging private businesses.

1.3 AMENDMENTS and MODIFICATIONS

The BCDC Board of Directors may from time to time amend the provisions imposed by the policies and procedures contained within this BCDC RBEG RLF Manual and such amendments are subject to prior written approval by the Wisconsin USDA Rural Development State Office.

SECTION 2. ADMINISTRATION

2.1 LOAN REVIEW BOARD

- (1) The BCDC Board of Directors will review and make all final decisions on loan applications submitted under the BCDC's RBEG RLF program. If any Board member has a conflict of interest with the applicant in question, he/she must abstain from both the discussion and vote. A majority vote of all present members is required.
- (2) The BCDC Administrator shall explain the BCDC's RBEG RLF program to prospective applicants, provide written information, assist applicants in completing applications, and process requests for financing. The BCDC Administrator, where necessary and appropriate, shall counsel or guide loan applicants to other more appropriate technical and financial resources when the loan applicant has needs beyond those available from the BCDC's RBEG RLF program.
- (3) The BCDC Administrator shall periodically review all financial statements and loan amortization schedules of RBEG RLF loan recipients, review and approve documentation of business expenditures financed with BCDC's RBEG Revolving Loan Fund program proceeds, record RBEG RLF security instruments, maintain the RBEG RLF accounting records which shall be segregated from other BCDC accounts, report as requested to the BCDC Board, and report annually to the Wisconsin USDA Rural Development State Office regarding the use of the RBEG RLF funds.

- (4) The BCDC's attorney shall prepare all loan agreements, review all promissory notes and mortgage or lien instruments, and counsel the BCDC Administrator and the BCDC Board of Directors on default matters.
- (5) The BCDC Administrator shall be responsible for the maintenance of all other records for the RBEG RLF, particularly those related to the expenditures of the RBEG RLF monies for program administration purposes.

2.2 MEETINGS

Loan review meetings shall be held by the BCDC Board of Directors on an as-needed basis. A majority of the BCDC Directors in attendance at a meeting constituting a quorum shall be required for official action to take place in regard to the RBEG RLF program.

2.3 RECORDS

Written records of all program activities, including program meetings, loan applications, and related documents, shall be maintained in appropriate files by the BCDC Administrator. All files should be maintained in a secure place with limited access by authorized personnel.

The following files shall be established and maintained for each loan recipient:

- (1) **Loan Application File:** This file contains all application, business financial statements, personal financial statements, credit reports, business plan documents, and other supporting loan information submitted to the BCDC, including all applicable correspondence.
- (2) **Loan Recommendation File:** This file should contain a summary of the analysis, recommended actions for the application, and a copy of the minutes for the BCDC Board meeting(s) summarizing the action taken on the loan request.
- (3) **Loan Closing File:** This file contains copies of all loan-closing documents. This file contains all the legal documents from the loan closing, including security instruments, the note and other applicable correspondence and shall be placed in a locked, fireproof safe. The BCDC's attorney should be involved in helping create and complete this file to insure complete loan documentation. Copies of the loan closing documents and an amortization schedule will be provided to the loan recipient, along with an invoice, if applicable, for loan closing and servicing fees.
- (4) **"Tickler File" System:** A tickler file system should be established and maintained to ensure that loan repayments, financial information, the loan agreement, UCC updates, and other time sensitive documentation requirements are tracked and obtained as required. The system should include the following monthly coded index files:
 - (a) Expiration dates for property, casualty and life insurance policies.

- (b) Due dates for all financial statements.
 - (c) Expiration dates for UCC financing statements, the reminder to update being at least 45 days prior to the expiration of the UCC filing on hand.
 - (d) Scheduled dates of annual loan performance and covenant reviews.
 - (e) Dates for site visits.
 - (f) Due dates for property tax payments and dates by which the BCDC expects to hear from the borrower regarding confirmation of payment of taxes.
 - (g) Dates on which loan recipients will be notified of scheduled changes in the loan amortization scheduled per loan agreements.
- (5) **Financial Statement File:** This file should contain the loan recipient's periodic financial statements as required by the loan covenants with a statement indicating that the BCDC Board of Directors reviewed the data.
- (6) **Progress Report File:** Loan recipients should be required to submit periodic progress reports during the outstanding term of the loan. The BCDC Administrator should make periodic site visits to verify information in the progress report and financial statements. These site visits should be documented for the file.
- (7) **Site Visit File:** Site visits should be conducted periodically to each loan recipient, the scheduling of which depends on the nature of the project. A summary of the site visits should be placed in the file, particularly highlighting any information that can help in rating the overall condition/risk of the loan.
- (8) **Repayment Monitoring File:** This file should include the loan amortization schedule, status of payments, and the outstanding balance of the loan. Observations suggesting concerns or problems should be reported to the BCDC Board of Directors, and notations shall be placed in the tickler file to remind the BCDC Administrator of the need to provide continued monitoring. There needs to be in the file receipts of payments made and there needs to be a system in place to insure the timely notification of payments to the BCDC Board of Directors. The BCDC Administrator shall notify the loan recipient in writing of any deficiency (such as a missed payment), and the action that needs to be taken to correct the deficiency. Should there be a late payment, the BCDC Administrator shall contact the loan recipient to determine the reason for the delayed payment. Contact may need to be made with other participating lender(s) to determine if their loans are current and to alert the lender of a potential problem. All payments shall be applied first to accrued late payment penalties, then to interest accrued, and then to principal.
- (9) **Loan Review File:** All loans are to be reviewed on an annual basis, and at such other times as may be deemed necessary by the BCDC Board of Directors or the BCDC Administrator. The review should follow receipt of the fiscal year-end financial statements, the year-end progress reports, and site visits. A report on the

loan review shall be in the file and address the following: timeliness of monthly payments; condition of collateral securing the loan and status of security documents (i.e. mortgages, UCC filings); overall financial condition of the business; the presence of material liens or lawsuits; and violations of loan covenants and suggested corrective actions.

If the loan recipient is experiencing problems with any of the above criteria, the BCDC Administrator is to work with the loan recipient to identify actions that are needed to correct the identified deficiencies, including possible restructuring of the loan to protect the BCDC's interest and meet the needs of the loan recipient. If appropriate, the BCDC Administrator shall arrange for business assistance, including services available through the University of Wisconsin-Extension, Small Business Development Center (SBDC), the Service Corp of Retired Executives (SCORE), and other entities having an interest in serving the needs of businesses.

In the event the findings of the loan review suggest serious problems, particularly if the loan is at risk for default, the account should be turned over to the BCDC's attorney for legal action in order to initiate steps necessary to protect the loan and to ensure the maximum repayment of the balance due. Again, corrective actions may be achieved through restructuring or if necessary, foreclosure actions.

2.4 ADMINISTRATION

Reasonable administrative funds may be withdrawn from the RBEG RLF to cover personnel costs and other administrative expenses. BCDC general funds may be used in situations when loan repayments are insufficient to cover administrative costs.

Administrative expenses of up to ten (10) percent of program income may be used for direct loan administrative costs. In addition, these funds may be used for the following:

- (1) Legal costs.
- (2) Consulting fees for credit analysis, business plan reviews and technical assistance.

BUSINESS PLAN

All start-ups or businesses less than three (3) years old must submit an up-to-date Comprehensive Business Plan that fully describes the proposed project. The BCDC reserves the right to require an up-to-date comprehensive business plan for all projects.

NOTE: If you do not currently have a Comprehensive Business Plan, the Department of Commerce may be able to finance a portion of the costs incurred to develop one. Under its Early Planning Grant (EPG) and the Entrepreneurial Training Grant (ETG) programs, the Department of Commerce can provide grants to assist with the development of a comprehensive business plan. Visit its website at www.commerce.gov for additional information on these programs.
