Food and convenience stores, restaurants bakery and candy stores, dairy plants and stores, drug stores, hardware stores, variety stores, gas stations, salvage and recyclers, pet shops, and garden centers, industrial manufacturing plants, concrete and asphalt plants

and another 25 items in the second stage, if needed. Items with expired sales signs were also included inspectors followed guidelines for random sample collection and conducted a two-stage inspection process, evaluating 25 items in the first stage Between January 30 and February 10, 2023, Weights and Measures Inspectors conducted Inspections at the Dollar General location in Berlin. The

checked for overcharge refund signs to ensure compliance with Wis. Stat. § 98.08 and documented any violations. After the inspections, store stores of their return visits. During inspections, sales clerks were allowed to determine the prices using their normal procedures. Inspectors If a store had overcharge errors, a follow-up inspection was conducted the next day to retest the problematic items. Inspectors did not inform the managers signed the test reports and were informed that overcharge errors must be corrected immediately.

### CITY OF BERLIN COMMON COUNCIL MEETING MINUTES TUESDAY, APRIL 11, 2023 AT 7:00 pm COUNCIL CHAMBERS, BERLIN CITY HALL, 2<sup>ND</sup> FLOOR

The Mayor called the meeting to order at 7:00pm, Roll Call resulted in 6 present 0 Absent. Staff in attendance: Rutkowski, Zabel, Pulvermacher, Kalupa, Chier, Seaman and Ludolph.

The Mayor noted there were no public comments.

The following items were listed on the Consent Agenda for approval and adoption: 4) Waive the reading of all ordinances and resolutions adopted at this meeting; 5) Receive and place on file the written reports for the City Clerk, Treasurer and Building Inspector; 6) Approve the minutes from March 14, 2023 Common Council meeting and place on file and 7) Receive and place on file the bills list 8) Accept the Committee of the Whole Recommendation to Approve Ordinance #02-23 Delta 8 / Vaping 9) Accept the recommendation from Planning Commission to have Attorney Chier draft options for facilitating E-Cycle Drop Off as a Conditional Use in Business Districts 10)Accept the recommendation from Committee on Aging to modify the senior Center Driver Job Description as presented 11) Accept the recommendation from Police and Fire Commission to expend funds from PD Equipment Fund 15 Account to purchase new pistols and holsters and 12) Accept the recommendation from Parks & Recreation Commission to accept the Berlin Youth Baseball & Softball Storage Shed Donation Agreement. Erdmann made a motion to accept the Consent Agenda as presented. Nigbor seconded the motion. Roll Call vote resulted in Six (6) Ayes and zero (0) Nays

The Mayor moved the #13 agenda item further down the agenda due to the Chad Koehler of Waste Management not being present yet.

The Mayor went on to item #14 which was a Proclamation Commemorating Roberta Erdmann. The Mayor read the Proclamation aloud. Dretske made a motion to approve the Proclamation Commemorating Roberta Erdmann with Nigbor seconding the motion. Motion passed on a voice vote.

The Mayor next announced his appointment of Erdmann to the Board of Appeals for a term expiring November 1, 2025. Dretske made a motion to accept the Mayoral Appointment of Roberta Erdmann to the Board of Appeals for term expiring November 1, 2025. Motion was seconded by Nigbor and passed on a voice vote.

The Mayor announced his appointment of Zeb Pirkey to the Board of Appeals for a term expiring November 1, 2025. Nigbor made a motion to accept the Mayoral Appointment of Zeb Pirkey to the Board of Appeals. The motion was seconded by Burgess and passed on a voice vote.

The Mayor announced his appointment of Zeb Pirkey to the Park & Recreation Commission for a term expiring May 1, 2024. After a short discussion, Dretske made a motion to approve the appointment of Zeb Pirkey to the Park & Recreation Commission for a term expiring May 1, 2024. Burgess seconded the motion which passed on a voice vote.

The Mayor announced his appointment of Roberta Erdmann to the Park & Recreation Commission for a term expiring May 1, 2024. Dretske made a motion to approve the appointment of Roberta Erdmann to

ŧ

the Park & Recreation Commission for a term expiring May 1, 2024. Nigbor seconded the motion which carried on a voice vote.

#19 on the Agenda was a presentation by Tim Ludolph, Planning and Development director, for an update on the 107 W. Huron St Raze & Repair Property. Ludolph stated equipment was beginning to be staged for deconstruction and construction now that the weather broke. The owner inquired how to get a dumpster permit. Burgess commented there were bricks falling off the building onto the sidewalk in front. No action was taken.

#20 Mayor Bruessel asked is there were any comments or concerns regarding the No Mow May Resolution #23-03. After a short discussion, Erdmann made a motion to approve the No Mow May resolution #23-03. Nigbor seconded the motion which passed on a voice vote.

Next on the Agenda, Item #21, the Mayor asked for an Approval of Recommended Ordinance Changes to Sections 70-459, 70-456, 70-457 & 70-458 and Authorize City Attorney to draft changed Ordinances. City Administrator Rutkowski went over all changes. A motion was made by Boeck and a second by Dretske to Approve the Recommended Ordinance Changes to Sections 70-459, 70-456, 70-457 & 70-458 and Authorize City Attorney to draft changed Ordinances as presented. This was carried on a voice vote.

Next on the Agenda was a Request by Alderperson Dretske for Discussion and Action if necessary on the North Industrial Park. A short general discussion ensured before a recommendation was made for staff to take the discussion to the Planning Commission. No other action was taken.

The Mayor then brought item #23 forward which was discussion on the ARPA Funds Department Wish List Requests. Stobbe exited the meeting before discussion began. Burgess expressed her concern of listening to wish lists when we just failed to pass a referendum. Her opinion was that we should be looking to see where we have the most need before we make decisions to spend money on wish lists. Rutkowski continued with her list. After Rutkowski and the department heads gave their presentations Erdmann made a statement that she disagrees with what Burgess stated earlier. She stated Staff have really put a lot of thought into what they are asking for, they have waited for 22 years before we change a bookkeeping software? That is unheard of. She went on to say, we either pay for them with this gift or we put them on our residents' taxes. The campground has not had upgrades for 25 years. The comprehensive plan should be updated every 10 years. The library's digitizing request, people are looking for this information online, we are still using microfiche. We should make these upgrades without having to ask people for money. Erdmann went on to say since we have this pot at the end of the rainbow that we never expected to get, lets help these people out that work so hard and be able to service the community better. Discussion continued with no action taken at this meeting.

There was no old business.

Dretske asked for two things to be considered for the next agenda. 1) discussion on items to be cut from the budget due to the failed referendum and 2) the Waste Management contract.

The Mayor asked for a motion to adjourn at 8:45pm. The motion was made by Erdmann and seconded by Burgess. Motion passed on a voice vote.

Midge Seaman, Deputy Clerk

### ORGANIZATIONAL COUNCIL MEETING MINUTES APRIL 18, 2023 – 4:30 p.m. COUNCIL CHAMBERS, BERLIN CITY HALL

Mayor Bruessel called the April 18, 2023 Organizational Council Meeting to order at 4:30 p.m. Roll call present: Alderpersons Durtschi, Boeck, Nigbor, Dretske, Stobbe and Burgess.

City Clerk Sara Rutkowski performed the ceremonial swearing in of the Mayor and Alderpersons Durtschi, Stobbe, and Burgess.

Next was election of Council President. Burgess nominated Dretske, with a second by Stobbe. Dretske was unanimously elected for Council President.

The following Mayoral appointments were presented for confirmation:

Officers: Health Officer: Green Lake County Health Unit; Humane Officer: Berlin Police Department; Inspector: Kunkel Engineering; Official Newspaper: Berlin Journal; Weed Commissioner: Scott Zabel.

Commissions: Park & Recreation Commission appointments: Kayla Reeves and Bruce Tetske; Sewer & Water Commission appointment of Paul Roethel; Planning Commission appointment of Mary Kubiak; Travel & Tourism Commission appointments: Mary Kubiak, Janet Broesch, Michelle Omichinski, Andi Rogers, Joel Bruessel, and Susan Trampf.

Boards: Cemetery Board appointment: Mary Kay Blazel; Library Board appointments: Michelle Draves and Robert Malchetske; Board of Review Appointment: Mary Kubiak.

Committees: Committee of Aging appointment: Jim Jodarkski and Paul Hanan.

Council Liaisons: BCDC - Alderperson Durtschi, Cemetery Board - Alderperson Boeck, Committee of Aging - Alderperson Boeck, Community Development Authority - Alderperson Dretske, Library Board - Alderperson Stobbe, Parks & Recreation Commission - Alderperson Nigbor, Planning Commission - Alderperson Dretske, Police & Fire Commission - Alderperson Nigbor and Sewer and Water Commission - Alderperson Burgess.

Dretske made a motion to accept the Mayoral appointments as presented. Nigbor seconded the motion which carried by voice vote.

Burgess made a motion to approve the May 1, 2023-April 30, 2024 City Attorney contract with Matthew Chier as proposed. Nigbor seconded the motion which carried by voice vote.

Nigbor made a motion to appoint Matthew Chier City Attorney, with a second by Dretske. Motion carried by voice vote.

Burgess moved to adjourn. Nigbor seconded the motion which carried by voice vote. Meeting adjourned at 4:13 p.m.

Sara Rutkowski, City Clerk

### Interview Room Proposal

Currently, the Berlin Police Department is utilizing an antiquated video recording system in the interview room. The current system has been around for over 16 years and utilizes a DVD player and "box" style television to capture recordings. The system is limited to the use of DVD recording discs and recording quality decreases when longer recording times are selected. Finally, the current system requires officers to turn on multiple devices in preparation for recording.

The audio captured by the system is poor and is difficult to hear without the use of headphones. Insufficient audio recording can lead to "lost evidence" such as when an individual whispers or talks to themselves, as they often do when law enforcement is not present. Ultimately, low quality audio capture will result in poor interpretation of what is being said. This could be disastrous when presenting evidence before a Judge or Jury in a courtroom setting. The current Green Lake County District Attorney has negatively commented on the quality of recordings produced by the Berlin Police Department.

In speaking with members of the Berlin Police Department, there have been complaints in regards to the quality of video/audio produced by the current system. Members have also found that the system is time consuming to set up for recording. Frequently, staff opt to interview people in another area of the department, where the video and sound quality is even worse. Their choice is primarily due to "ease of use". This other area does not require set up, and it is cloud synced to a software that allows officers to "cut" the video where it can be downloaded onto a DVD or a USB device.

Per Claude Turcotte CEO of MaestroVision (an audio and video company that caters to law enforcement), "A professional interview recording system must be simple to use. The system must be highly intuitive, so that any officer can start an interview recording by simply pressing a single button." The current system at the Berlin Police Department clearly does not meet this standard.

After some research, we reached out to a company called "Precise Digital". Precise Digital offers a 1080P high-definition recording system that can be installed by members of the department. The system utilizes a single button that needs to be pressed to activate recording and pressed again when the recording is finished. The recording is then stored on a hard drive that can be downloaded onto a USB Key, DVD etc.

Precise Digital provided the Berlin Police Department with a quote of \$2,543.83 for their system. The quote is attached to this proposal, it lists the items included and the cost. The system has a free one-year warranty, although after one year it would become \$300 per year. The warranty would be the only reoccurring cost associated with the purchase and is completely optional.

I propose this expenditure be approved and forwarded to the Common Council with the recommendation to use "roll-over" Fund 15 money. The current balance in Fund 15 is almost \$104,000. Much of that balance was carried from Police Department budgetary surplus in 2020 when the need to update various items within the Police Department was recognized by the Common Council.

Proposal approved by Police and Fire Commission on 05/03/2023.

Submitted by Detective Noah Knetzger, with approval by Police Chief Brian Pulvermacher

### Travel & Tourism Commission Year End Report April 10, 2023

2022 Year End Financial Report

Beginning Balance in January of 2022: \$4,673.21

Total Room Tax Revenues: \$10,282.06

Total Expenditures: (\$4,025.00)

- ½ GLCVB membership \$625

- Spring Tbird Grant \$700

- Spring ABC Grant \$700

- Fall ABC \$1000

- Fall F&A Market \$1000

Ending Balance in December of 2022: \$10,930.27

Travel and Tourism Commission opened up two grant periods in 2022: Spring and Fall. Both grant periods received applicants. T&T Commission approved two grants in both application periods, with the amounts listed above. T&T also approved expending \$625.00 for half of the total amount owing to Green Lake Country Visitor's Bureau for City membership.

Travel & Tourism Commission is excited to have more funds available to grant out to groups in the Community.

RE: 2022 Audit

<u>BACKGROUND</u>: Amber Ebert, our lead auditor from Hawkins Ash, will present the 2022 audit results to the Council. Amber will give you a brief presentation of the audit highlights and answer any questions you may have. The audit process went well, and we have again received an unqualified, clean opinion on our books, which is the highest opinion that can be achieved in an audit. Overall, the city finances are stable, general fund balance is in a good position, and all departments did a good job holding down expenses.

Attached is an audit summary prepared by the auditors. If you would like to review the entire detailed audit, please feel free to contact me. If you have specific or detailed questions, please feel free to contact me prior to the meeting. Depending on your questions, I may need to do some research to get you the answer.

<u>RECOMMENDATION</u>: Listen to presentation by Hawkins Ash on 2022 audit and accept and place 2022 audit on file.

### CITY OF BERLIN, WISCONSIN

SUMMARY FINANCIAL REPORT WITH INDEPENDENT AUDITORS' REPORT

**DECEMBER 31, 2022** 

### CITY OF BERLIN, WISCONSIN SUMMARY FINANCIAL REPORT TABLE OF CONTENTS DECEMBER 31, 2022

<u>Page</u>

### INDEPENDENT AUDITORS' REPORT

To the City Council City of Berlin, Wisconsin

### Opinion

The summary financial statements of the City of Berlin, as of and for the years ended December 31, 2022 and 2021, and the related notes, as listed in the table of contents, are derived from the audited financial statements of governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Berlin, as of and for the years ended December 31, 2022 and 2021, and the related notes, which collectively comprise the City of Berlin's basic financial statements. We expressed an unmodified audit opinion on those audited financial statements in our reports dated May 2, 2023 and April 26, 2022. The audited financial statements, and the summary financial statements derived therefrom, do not reflect the effects of events, if any, which occurred subsequent to the date of our report on the audited financial statements.

In our opinion, the accompanying summary financial statements of the City of Berlin as of and for the years ended December 31, 2022 and 2021 referred to above are consistent, in all material respects, with the audited financial statements from which they have been derived, on the basis described in the notes.

### Summary Financial Statements

The summary financial statements do not contain all the disclosures required by accounting principles generally accepted in the United States of America. Reading the summary financial statements and the auditors' report thereon, therefore, is not a substitute for reading the audited financial statements and the auditors' report thereon. The summary financial statements and the audited financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited financial statements.

### Responsibilities of Management for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements on the same basis of accounting as the fund financial statements of the audited financial statements.

### Auditors' Responsibility

Our responsibility is to express an opinion about whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing standards*, issued by the Comptroller General of the United States. The procedures consisted principally of comparing the summary financial statements with the related information in the audited financial statements from which the summary financial statements have been derived and evaluating whether the summary financial statements are prepared in accordance with the basis described above. We did not perform any audit procedures regarding the audited financial statements after the date of our report on those financial statements.

# CITY OF BERLIN, WISCONSIN

OTHER FINANCIAL INFORMATION DECEMBER 31, 2022

**Independent Auditors' Report** - An unmodified "clean" auditors' opinion was issued on the City's financial statements. Our opinion states that we found your statements present fairly, in all material respects, the financial activity of the City.

Cash and Investments - The City's cash and investments decreased \$30,566.

**Fixed Assets** - The City spent \$1,004,838 on general capital assets and \$1,146,269 on sewer and water capital assets.

**Long-Term Debt** - At year end, \$4,315,000 was outstanding of general obligation debt which is below the City's state statute debt limit of \$19,188,665. There was also \$543,490 of water debt and \$825,865 of employee benefits outstanding.

Auditors' Reports on Compliance and Internal Control Over Financial Reporting - These reports conclude that the City's internal controls appear adequate for a City of your size.

**Communications With Those Charged With Governance** - This report discusses the scope and limitations of a financial audit and communicates any problems we had during the audit process. No significant problems were identified.

# INDEPENDENT AUDITORS' REPORT ON COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

To the City Council City of Berlin, Wisconsin

We have audited the financial statements of the City of Berlin as of and for the year ended December 31, 2022, and have issued our report thereon dated May 2, 2023. Professional standards require that we advise you of the following matters relating to our audit.

# Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated December 5, 2022, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the City of Berlin solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies noted during our audit in a separate letter to you dated May 2, 2023.

# Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

# Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

# Significant Risks Identified

We have identified the following significant risks:

- Management Override of Controls professional standards require the auditor to address the risk that management is in a unique position to override controls that otherwise appear to be operating effectively.
- Improper Revenue Recognition professional standards require the auditor to presume that risks of material misstatements exist in revenue recognition.

We have designed our audit procedures to adequately address the significant risks identified.

# Qualitative Aspects of the Entity's Significant Accounting Practices

# Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the City of Berlin is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2022. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

# Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are:

- Management's estimate of the depreciable lives of capital assets is based on prior history.
- Management's estimate of the Wisconsin Retirement System pension was calculated by the State of Wisconsin Department of Employee Trust Funds' third-party actuary.
- Management's estimate of the Wisconsin Retirement System local retiree life insurance fund was calculated by the State of Wisconsin Department of Employee Trust Funds' third-party actuary.
- Management's estimate of sick pay is based on prior history.

We evaluated the key factors and assumptions used to develop the estimates listed above and determined that they are reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

# Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive

disclosures affecting the City of Berlin's financial statements relate to revenue recognition, Wisconsin Retirement System pension, and Wisconsin Retirement System local retiree life insurance fund.

# Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We have not identified any significant unusual transactions during the audit.

# Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

# **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. Management has corrected all identified misstatements. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The material misstatements listed under Appendix A that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management.

# Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the City of Berlin's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

# Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated May 2, 2023.

# Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

# Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the City of Berlin, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the City of Berlin's auditors.

# Other Information Included in Annual Reports

Pursuant to professional standards, our responsibility as auditors for other information, whether financial or nonfinancial, included in the City of Berlin's annual reports, does not extend beyond the information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have read the information and considered whether such information, or the manner of its presentation, was materially inconsistent with its presentation in the financial statements.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the City Council and management of the City of Berlin and is not intended to be and should not be used by anyone other than these specified parties.

# INDEPENDENT AUDITORS' REPORT ON MANAGEMENT ADVISORY COMMENTS

To the City Council City of Berlin, Wisconsin

We have audited the financial statements of the City of Berlin as of and for the year ended December 31, 2022 and have issued our report thereon dated May 2, 2023. We have also issued compliance reports and reports on the internal control structure in accordance with *Government Auditing Standards*. These reports disclosed any material instances of noncompliance, material weaknesses and significant deficiencies that were identified during the audit.

Other matters involving the internal control structure and the City's operations which came to our attention during the audit are reported on the following pages as management advisory comments.

We would like to take this opportunity to acknowledge the many courtesies extended to us by the City's personnel during the course of our work. In particular, we would like to note the considerable assistance and cooperation provided to us by Sara Rutkowski and her staff.

We shall be pleased to discuss any of the matters referred to in this letter. Should you desire assistance in implementing any of the following suggestions, we would welcome the opportunity of assisting you in these matters.

## MANAGEMENT ADVISORY COMMENTS

### **Current Year Comments**

None.

### **Prior Year Comments**

# New Standard - GASB Statement No. 87 - Leases (12/31/18)

This statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

A lease is defined as a contract that conveys control of the right to use another entity's nonfinancial asset (underlying asset) as specified in the contract for a period of time in an exchange or exchange-like transaction. Any contract that meets this definition should be accounted for under the leases guidance, unless specifically excluded in this statement.

This statement excludes the following:

- intangible assets (mineral rights, patents, copyrights, licensing contracts for software)
- biological assets (timber, living plants, living animals)
- inventory
- service concession arrangement (GASB Statement No. 60)
- assets financed with conduit debt unless both asset and debt are reported by lessor
- supply contracts (power purchase agreements)
- short-term leases (12 months or less including options to extend)
- contracts that transfer ownership and does not contain termination options
- certain regulated leases (aviation leases)

We recommend all lease contracts that might meet the definition of a lease should be accumulated, identify any contracts that may be excluded based on an exception or materiality, and complete a listing of all the contracts. The listing should include contract description, asset description, term of contract, term extensions, termination clause, payments, and exclusion exception. Please upload the contracts and listing to your portal.

The requirements of this statement are effective for reporting periods beginning after June 15, 2021. Your December 31, 2022 financial statements will be updated for these new reporting requirements.

Status: Resolved.

# Filing Timely Grant Claim Forms (12/31/2021)

Our audit procedures revealed a Community Development Block Grant claim form was not submitted. The \$504,000 November 30, 2021 and \$301,000 December 21, 2021 construction invoices were not submitted for grant reimbursement until March 16, 2022. We recommend the

City have grant claim forms completed and submitted in a timely manner to improve the City's cash flow.

Status: Resolved.

Hawkins Ash CPAs, LLP One East Waldo Blvd., Suite 5 Manitowoc, WI 54220-2912

Dear Hawkins Ash CPAs, LLP,

This representation letter is provided in connection with your audit of the City of Berlin as of December 31, 2022, and for the year then ended, and the related notes to the financial statements, for the purpose of expressing opinions on whether the basic financial statements present fairly, in all material respects, the financial position, and results of operations, of the various opinion units of City of Berlin in accordance with accounting principles generally accepted for governments in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of May 2, 2023.

### Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated December 5, 2022, for the preparation and fair presentation of the financial statements of the various opinion units referred to above in accordance with U.S. GAAP.
- 2) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- We acknowledge our responsibility for compliance with the laws, regulations, and provisions of contracts and grant agreements.
- 5) We have reviewed, approved, and taken responsibility for the financial statements and related notes.
- 6) We have a process to track the status of audit findings and recommendations.
- 7) We have identified and communicated to you all previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
- 8) Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
- 10) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 11) We have reviewed and approved the various adjusting journal entries that were proposed by you for recording in our books and records and reflected in the financial statements.
- 12) The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
- 13) All component units, as well as joint ventures with an equity interest, are included and other joint ventures and related organizations are properly disclosed.
- 14) All funds and activities are properly classified.

Hawkins Ash CPAs, LLP May 2, 2023 Page 2

15) All funds that meet the quantitative criteria in GASB Statement No. 34, Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments, GASB Statement No. 37, Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments: Omnibus as amended, and GASB Statement No. 65, Items Previously Reported as Assets and Liabilities, for presentation as major are identified and presented as such and all other funds that are presented as major are considered important to financial statement users.

16) All components of net position, nonspendable fund balance, and restricted, committed, assigned, and unassigned fund balance are properly classified and, if applicable, approved.

17) Our policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position/fund balance are available is appropriately disclosed and net position/fund balance is properly recognized under the policy.

18) All revenues within the statement of activities have been properly classified as program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.

- 19) All expenses have been properly classified in or allocated to functions and programs in the statement of activities, and allocations, if any, have been made on a reasonable basis.
- 20) All interfund and intra-entity transactions and balances have been properly classified and reported.

21) Special items and extraordinary items have been properly classified and reported.

22) Deposit and investment risks have been properly and fully disclosed.

- 23) Capital assets, including infrastructure assets, are properly capitalized, reported, and if applicable, depreciated.
- 24) All required supplementary information is measured and presented within the prescribed guidelines.

25) With regard to investments and other instruments reported at fair value:

- The underlying assumptions are reasonable and they appropriately reflect management's intent and ability to carry out its stated courses of action.
- The measurement methods and related assumptions used in determining fair value are appropriate in the circumstances and have been consistently applied.
- The disclosures related to fair values are complete, adequate, and in accordance with U.S. GAAP.
- There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.
- 26) With respect to the nonattest services provided, we have performed the following:
  - · Made all management decisions and performed all management functions;
  - Assigned a competent individual to oversee the services;
  - Evaluated the adequacy of the services performed;
  - Evaluated and accepted responsibility for the result of the service performed; and
  - Established and maintained internal controls, including monitoring ongoing activities.
- 27) With respect to the supplementary information accompanying the financial statements:
  - We acknowledge our responsibility for the presentation of the supplementary information with U.S. GAAP.
  - We believe the supplementary information, including its form and content, is fairly presented in accordance with U.S. GAAP.
  - The methods of measurement or presentation have not changed from those used in the prior period.
  - We believe the significant assumptions or interpretations underlying the measurement or presentation
    of the supplementary information, and the basis for our assumptions and interpretations, are
    reasonable and appropriate in the circumstances.
  - When the supplementary information is not presented with the audited financial statements, management will make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by the entity of the supplementary information and the auditor's report thereon.
  - We acknowledge our responsibility to include the auditors' report on the supplementary information in any document containing the supplementary information and that indicates the auditor reported on such supplementary information.
  - We acknowledge our responsibility to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users

of the supplementary information no later than the date of issuance by the entity of the supplementary information and the auditors' report thereon.

- 28) With respect to the required supplementary information accompanying the financial statements:
  - We acknowledge our responsibility for the presentation of the required supplementary information in accordance with U.S. GAAP.
  - We believe the required supplementary information, including its form and content, is measured and fairly presented in accordance with U.S. GAAP.
  - · The methods of measurement or presentation have not changed from those used in the prior period.
  - We believe the significant assumptions or interpretations underlying the measurement or presentation
    of the required supplementary information, and the basis for our assumptions and interpretations, are
    reasonable and appropriate in the circumstances.
- 29) With respect to the summary financial report:
  - We acknowledge our responsibility for the preparation of the summary financial statements in accordance with the applied criteria and believe the applied criteria are acceptable.
  - We have made the audited financial statements readily available to the intended users of the summary financial statements, when the summary financial statements will not be accompanied by the audited financial statements.

## Information Provided

- 30) We have provided you with:
  - Access to all information, of which we are aware that is relevant to the preparation and fair
    presentation of the financial statements of the various opinion units referred to above, such as
    records, documentation, meeting minutes, and other matters;
  - Additional information that you have requested from us for the purpose of the audit; and
  - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
  - A written acknowledgement of all the documents that we expect to issue that will be included in the
    annual report, if applicable, and the planned timing and method of issuance of that annual report;
  - A final version of the annual report, if applicable, (including all the documents that, together, comprise the annual report) in a timely manner prior to the date of the auditor's report.
- 31) The financial statements and any other information included in the annual report, if applicable, are consistent with one another, and the other information does not contain any material misstatements.
- 32) All transactions have been recorded in the accounting records and are reflected in the financial statements.
- 33) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 34) We have provided to you our analysis of the entity's ability to continue as a going concern, including significant conditions and events present, and if necessary, our analysis of management's plans, and our ability to achieve those plans.
- 35) We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
  - Management;
  - Employees who have significant roles in internal control; or
  - Others where the fraud could have a material effect on the financial statements.
- 36) We have no knowledge of any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, vendors, regulators, or others.
- 37) We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
- 38) We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware.
- 39) There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in accounting, internal control, or financial reporting practices.

Hawkins Ash CPAs, LLP May 2, 2023 Page 4

- 40) The entity has no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
- 41) We have disclosed to you all guarantees, whether written or oral, under which the entity is contingently liable
- 42) We have disclosed to you all nonexchange financial guarantees, under which we are obligated and have declared liabilities and disclosed properly in accordance with GASB Statement No. 70, Accounting and Financial Reporting for Nonexchange Financial Guarantees, for those guarantees where it is more likely than not that the entity will make a payment on any guarantee.
- 43) For nonexchange financial guarantees where we have declared liabilities, the amount of the liability recognized is the discounted present value of the best estimate of the future outflows expected to be incurred as a result of the guarantee. Where there was no best estimate but a range of estimated future outflows has been established, we have recognized the minimum amount within the range.
- 44) We have disclosed to you all significant estimates and material concentrations known to management that are required to be disclosed in accordance with GASB Statement No. 62 (GASB-62), Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements. Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.
- 45) We have identified and disclosed to you the laws, regulations, and provisions of contracts and grant agreements that could have a direct and material effect on financial statement amounts, including legal and contractual provisions for reporting specific activities in separate funds.
- 46) There are no:
  - Violations or possible violations of laws or regulations, or provisions of contracts or grant agreements
    whose effects should be considered for disclosure in the financial statements or as a basis for
    recording a loss contingency, including applicable budget laws and regulations.
  - Unasserted claims or assessments that our lawyer has advised are probable of assertion and must be disclosed in accordance with GASB-62.
  - Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by GASB-62.
  - Continuing disclosure consent decree agreements or filings with the Securities and Exchange Commission and we have filed updates on a timely basis in accordance with the agreements (Rule 240, 15c2-12).
- 47) The entity has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset or future revenue been pledged as collateral, except as disclosed to you.
- 48) We have complied with all aspects of grant agreements and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 49) We believe that the actuarial assumptions and methods used to measure pension and other postemployment benefit liabilities and costs for financial accounting purposes are appropriate in the circumstances.
- 50) We have provided to you our views on reported findings, conclusions, and recommendations, as well as planned corrective actions.

# TID Building Improvement Program

# Introduction:

The City of Berlin created a downtown TID (#15) in October of 2008. The purpose of creating a Blight Elimination Tax Increment Finance District was to promote redevelopment and investment from local property owners, both within and outside of the district. The creation of the TID allowed the City to provide needed infrastructure, as well as funding, to local stakeholders through incentives and grants, and to encourage property owners and business owners to proactively participate in revitalization.

The following guidelines have been created and adopted by the City of Berlin to help direct and evaluate requests for financial assistance through TID # 15 for building structural improvements.

# Purpose:

- > Promote Blight Elimination
- > Promote Redevelopment of area
- > Prevent Further Deterioration

# **Building Improvement Program:**

Property owners in conjunction with businesses within the Downtown TID #15 District of the City of Berlin are eligible for up to \$15,000 in matching grant funds for improvements to the interior of their building. As a matching funds program, the City of Berlin TID Program will reimburse the property owner for up to 50% of the expense to a maximum grant amount of \$15,000 on a case-by-case basis. All grants will be rewarded to eligible applicants while funds are available. Applicants are eligible for only one grant award per property in a 24-month period, unless otherwise approved by the City of Berlin Common Council. For larger projects demonstrating a significant positive impact on the downtown, the Common Council may approve funding awards which exceed the stated program cap.

# Eligible/Ineligible Applicants:

The Building Improvement Program is available to any property owner lying within TID #15 boundaries. The program is also available to business tenants of such buildings given the property owner's written consent. Properties zoned residential or are listed as tax-exempt are not eligible.

# **Program Guidelines:**

No application will be reviewed or presented to the Common Council for consideration on behalf of an applicant if the property is delinquent with their City of Berlin Property Taxes or Berlin Utility Bills on any property located within the City.

All improvements must meet the requirements of the Zoning code identified in the City of Berlin Municipal Code. All proper Building permits must be obtained.

Each applicant should demonstrate sufficient need for financial assistance. The burden is on the requesting party to prove that the proposed project would not be feasible without TID funds assistance.

# **Eligible Activities:**

Eligible activities include interior and exterior improvements including roof, HVAC, electrical, plumbing, insulation, structural and ADA related improvements. Projects which do not directly improve the longevity of the building, or equipment expenses are not eligible activities.

## Process:

Applicants should submit the following documentation if interested in participating in the façade improvement program:

- 1. Complete Building Improvement Program Application
- 2. Complete Release of Information
- 3. Submit contractor estimates for proposed project

After application materials are received, City Staff will review applications. Complete applications will be presented to Common Council for approval.

Notification of approval/denial will be provided to the applicant by City Staff within ten (10) days following the Council meeting. Note that the project must be approved prior to any of the work taking place. Failure to have prior approval may result in a denial of the funding request for the qualifying project. All projects must be underway within 120 days of program funding approval.

Appropriate documentation, such as invoices, must be submitted to the City Clerk for the fund reimbursement upon completion of the project. All reimbursable expenses must be within 180 days of the program approval. If the projects are not completed in accordance with the requirements and time schedule identified, then the applicant must reappear to request approval for an extension.

# TID Façade Improvement Program

# Introduction:

The City of Berlin created a downtown TID (#15) in October of 2008. The purpose of creating a Blight Elimination Tax Increment Finance District was to promote redevelopment and investment from local property owners, both within and outside of the district. The creation of the TID allowed the City to provide needed infrastructure, as well as funding, to local stakeholders through incentives and grants, and to encourage property owners and business owners to proactively participate in revitalization.

The following guidelines have been created and adopted by the City of Berlin to help direct and evaluate requests for financial assistance through TID # 15 for façade improvements.

# Purpose:

- > Promote Blight Elimination
- > Promote Redevelopment of area
- > Prevent Further Deterioration

# Façade Improvement Program:

Property owners in conjunction with businesses within the Downtown TID #15 District of the City of Berlin are eligible for up to \$5,000 in matching grant funds for improvements to the exterior of their building and improvements visible from the exterior of the building. As a matching funds program, the City of Berlin TID Program will reimburse the property owner for up to 50% of the expense to a maximum grant amount of \$5,000 on a case-by-case basis. All grants will be rewarded to eligible applicants while funds are available. Applicants are eligible for only one grant award per property in a 24-month period, unless otherwise approved by the City of Berlin Common Council. For larger projects demonstrating a significant positive impact on the downtown, the Common Council may approve funding awards which exceed the stated program cap.

# Eligible/Ineligible Applicants:

The Façade Improvement Program is available to any property owner lying within TID #15 boundaries. The program is also available to business tenants of such buildings given the

į

property owner's written consent. Properties zoned as residential or are listed as tax-exempt are not eligible. Projects which are not visible from the public right of way are ineligible.

# Program Guidelines:

No application will be reviewed or presented to the Common Council for consideration on behalf of an applicant if the property is delinquent with their City of Berlin Property Taxes or Berlin Utility Bills on any property located within the City.

All improvements, including signage, awning, lighting and structural work must meet the requirements of the Zoning code and design standards identified in the City of Berlin Municipal Code. All proper Building permits must be obtained.

Each applicant should demonstrate sufficient need for financial assistance. The burden is on the requesting party to prove that the proposed project would not be feasible without TID funds assistance.

# Eligible Activities:

Eligible activities include design and construction costs directly related to visible façade improvements including signage, awnings, exterior lighting, painting, windows, doors, exterior walls, siding, chimneys, masonry repair, and other architectural elements.

### Process:

Applicants should submit the following documentation if interested in participating in the façade improvement program:

- 1. Complete Façade Improvement Program Application
- 2. Complete Release of Information
- 3. Submit contractor estimates for proposed project

After application materials are received, City Staff will review applications. Complete applications will be presented to Common Council for approval.

Notification of approval/denial will be provided to the applicant by City Staff within ten (10) days following the Council meeting. Note that the project must be approved prior to any of the work taking place. Failure to have prior approval may result in a denial of the funding request for the qualifying project. All projects must be underway within 120 days of program funding approval.

Appropriate documentation, such as invoices, must be submitted to the City Clerk for the fund reimbursement upon completion of the project. All reimbursable expenses must be within 180 days of the program approval. If the projects are not completed in accordance with the requirements and time schedule identified, then the applicant must reappear to request approval for an extension.

# **Design Guidelines:**

- > Context: The façade is designed in a manner that is mindful of and complementary to the existing building and natural environment.
- > Harmony: The façade uses materials, forms and colors that serve as unifying elements with the surrounding buildings and natural environment.
- > Compatibility: The façade should be compatible with nearby building architectural scale, color, rhythm and proportions.
- > Building Design: All buildings shall be designed with attention and sensitivity to the historical, architectural and physical context in which they are located.
- > Colors: Color selections of exterior surfaces, materials and equipment should not detract from the surrounding area.
- > Historic Preservation: Preservation of unique historic or architectural landmarks is encouraged.

Signed:

### AN ORDINANCE AMENDING THE CODE WITH COMPREHENSIVE PARKING REGULATIONS UPDATES

The Common Council of the City of Berlin do ordain as follows:

Sec 70.456 of the Code of Ordinances is hereby amended as follows:

#### Sec. 70-456. - Prohibited parking on certain streets.

- (a) All night parking. The term "all night parking" means parking between the hours of 2:30 a.m. and 5:30 a.m. on any given morning. When signs are erected within the city giving notice of an all night parking restriction, no person shall park or leave standing, during the applicable hours, any vehicle or trailer upon any of the following highways, streets, alleys, or parts thereof, except temporarily for the purpose of and while actually engaged in receiving or discharging passengers:
  - (16) South Fox Alley from West Huron-Street to West Ceresco Street.
- (b) No parking except for authorized emergency vehicles. No person shall park any vehicle or trailer within the city, except authorized emergency vehicles, in any of the following areas:
  - (4) South Fox Alley from West Huron Street to West Franklin Street.
  - (5) River Street between Spring Street and South Adams Street.
  - (6) Eighty feet of that portion of South Adams Avenue lying north of and commencing at the intersection of River Street and South Adams Avenue.
  - (7) Two hundred twenty-five feet of that portion of South Adams Avenue lying north of and commencing at the intersection of River Street and South Adams Avenue.
  - (8) The south side of Union-Street between South Pearl Street and South-Wisconsin Street.
  - (17) Broadway Street from Brooklyn Street to Washington Street.

- (21) The south side of West Ceresco from South Wisconsin Street to the center of the Fox River Bridge.
- (22) The north side of West Ceresco from South Fox Alley to the center of the Fox River Bridge.
- (c) Fifteen minute restricted parking zones. The following areas shall be designated as 15-minute restricted parking zones:
  - (1) The east side of North Pearl Street north of the West Huron Street intersection in the designated area.
  - (3) The south side of West Huron Street east of the South Fox alley intersection in the designated area.
  - (5) The north side of Broadway east of North Brooklyn Street intersection in the designated area.
  - (6) The west side of South Pearl Street from a point 50 feet north of where the north curbline of West Franklin Street intersects the west curbline of South Pearl Street to a point 45 feet north of such intersection.
  - (8) The north side of West Franklin Street east of the South Pearl Street intersection and west of the South Wisconsin Street intersection in the designated area.
  - (9) The east side of North Pearl Street north of the West Park Avenue intersection in the designated area.
- (d) Thirty-minute restricted parking zones. The following areas shall be designated as 30-minute restricted parking zones:
  - (1) The north 117 feet of the west side of South Capron Street between West Huron Street and West Franklin Street in the designated area.
- (e) Two-hour restricted parking zones. The following areas shall be designated as two-hour restricted parking zones:
  - (1) Broadway Street from the Fox River to Brooklyn Street, except where designated as 15-minute restricted parking zone under subsection 70-456(c).

- (3) North Capron Street from Water Street to North Park Avenue Market Square between and including the east boundary of North Capron Street and the west boundary of Water Street, and any and all streets included and contained therein, but excluding the north boundary of West Park Avenue.
- (7) South Capron Street from West Huron Street to West Franklin Street in the designated areas.
- (10) West Huron Street from the Fox River to Wisconsin Street, except where designated as 15-minute restricted parking zone under subsection 70-456(e).
- (12) Market Square between the west boundary of Capron Street and the west boundary of Water Street excluding the north boundary of West Park Avenue except for those parking stalls reserved for the exclusive use and parking by city hall employees in designated areas in accordance with posted restrictions.

Sec 70-457 of the Code of Ordinances is hereby amended as follows:

#### Sec. 70-457. - Certain hours regulated.

- (a) School zones. When signs are erected in a block within the city giving notice thereof, no person shall park a vehicle for longer than the following periods of time:
  - (1) East Park Avenue between Sumner Street and North Swetting Street on school days between 7:30 a.m. and 4:30 p.m.
  - (2) The north side of West Moore Street between North Wisconsin Street and North Pearl Street on school days between 7:30 a.m. and 4:30 p.m.
  - (7) The east side of North Swetting Street between East Huron Street and East Noyes
    Street on school days between 7:30 a.m. and 4:30 p.m.
  - (8) The north side of East Huron Street between North Swetting Street and North Johnson Street on school days between 7:30 a.m. and 4:30 p.m.
  - (9) The west side of North Johnson Street between East Huron Street and East Park Avenue on school days between 7:30 a.m. and 4:30 p.m.
  - (10) The south side of East Park Avenue between North Johnson Street and Center Street on school days between 7:30 a.m. and 4:30 p.m.

Page 3 of 6

- (11) The west side of North Swetting street from East Moore Street to a point 67 feet south from the intersection of East Moore Street and North Swetting Street on school days between 7:30 a.m. and 4:30 p.m.
- (12) The south side of East Moore Street from Sumner Street to a point 92 feet east from the intersection of Sumner Street and East Moore Street on school days between 7:30 a.m. and 4:30 p.m.
- (b) Restricted time parking zones. All areas designated as 15-minute, 30-minute and two-hour restricted parking zones in subsections 70-456(c) through (d)(e) shall be restricted parking zones only between the hours of 9:00 a.m. and 5:00 p.m. on Mondays, Tuesdays, Wednesdays, Thursdays, Fridays, and Saturdays, excluding Sundays and holidays, unless otherwise specified in such subsections. The superintendent of streets shall erect official regulatory signs which shall specify restricted time parking zones at locations authorized in accordance with this chapter.

Sec 70.458 of the Code of Ordinances is hereby amended as follows:

#### Sec. 70-458. - Winter parking.

- (a) Seasonal parking restrictions. No person shall park any motor vehicle or trailer Alternating side parking is required upon any street in the city between 2:00 a.m. and 7:00 a.m. from November 30—March 30, except as provided in subsection (b) of this section. "Alternating side parking" shall mean parking on the even address numbered sides of the streets (i.e., the north and east sides, as applicable) on even numbered days of the month, and on odd address numbered sides of the street (i.e., the south and west sides, as applicable) on odd numbered days of the month. For clarification, the applicable day of the month shall be determined during the prohibited time period of 2:00 a.m. to 7:00 a.m., notwithstanding when a vehicle was first parked in a location.
- (b) Exceptions.
  - (1) A permit, with the parking location specified thereon, shall be issued by the clerk-treasurer, subject to confirmation by the superintendent of streets, upon application and after investigation by the person designated by the common council, to those persons who have no off-street parking available within a reasonable distance of their residence, allowing such persons to park in a designated area, which area shall be as near to the residence of the applicant as practicable. All such permits shall terminate on March 30 of each year, and the permit fee shall be as established in the fee schedule adopted by the common council on file in the city clerk-treasurer's office.

- Upon application to the police department, a temporary parking permit allowing parking contrary to subsection (a) of this section, valid for up to 7224 hours, may shall be issued to any person for just cause determined in the sole discretion of the police chief, or the police chief's designee, and shall be valid for a specified location only.
- (3) Annual parking permits shall be subject to appeal, review or revocation by the common council, upon public hearing, after giving five days' notice to all interested parties.

Sec 70-459 of the Code of Ordinances is hereby amended as follows:

#### Sec. 70-459. - Municipal parking lots.

- (a) When signs are erected giving notice thereof, no person shall park a vehicle or trailer in the following municipal parking lots for longer than the period specified in this section, except as provided in subsection (b) of this section:
  - (3) Water Street parking lot: Twenty four hour restricted except for those parking stalls reserved for the exclusive use and parking by city hall employees in designated areas in accordance with posted restrictions.
- (b) Upon application to the police department, a temporary parking permit allowing parking in a municipal parking lot outside of the time limitations set forth in subsection (a) of this section, valid for up to one week, may be issued to any person for just cause determined in the sole discretion of the police chief, or the police chief's designee, and shall be valid for a specified location only. Temporary parking permits issued pursuant to this subsection (b) shall be limited to three per year for the same person.

This ordinance shall take effect the day after publication.

The numeric section numbers and headings of any portions of the Code of Ordinances affected by this Ordinance shall be subject to modification in the discretion of the codifier, and the approval of the City Attorney, during codification into the City's current Code of Ordinances.

City Administrator/City Clerk

Passed, approved and adopted this 9th day of May, 2023.

## PROCLAMATION DECLARING KINDNESS DAY

WHEREAS, on behalf of the citizens of the City of Berlin, it is the pleasure of the City of Berlin's Common Council and Mayor to recognize the importance of treating each other with kindness; and

**WHEREAS**, The Berlin High School KIND Committee and Thrivent Financial are coordinating the 3<sup>rd</sup> Annual Community KINDNESS Day where they will be recognizing KIND members of the community and taking part in various kind activities throughout the city; and

WHEREAS, the many daily acts of kindness that occur in our community are largely inconspicuous and unobtrusive, and

WHEREAS, by recognizing these acts of kindness, all members of our community will be made aware of the importance of being kind to others throughout the year; and

**WHEREAS**, the purpose of KINDNESS Day is to remember the simple day-today acts of kindness that enable our community to be a kinder, safer, and more secure place to live, work, and play; and

**WHEREAS**, The City of Berlin's Common Council and Mayor will celebrate this day with this special proclamation in recognition of all of the kind acts performed on Tuesday, May 16<sup>th</sup> 2023;

**NOW THEREFORE, BE IT RESOLVED,** that the Common Council and Mayor of the City of Berlin, do hereby proclaim the sixteenth day of May of 2023 as Kindness Day and urge all citizens to recognize and participate in its observance.

_X_ Police & Fire Commission	Community Development Authority
Water & Sewer Commission	Housing Task Force
Water & Sewer Commission Zoning Board of Appeals	Housing Task Force Library Board

Applicant Questions (attach additional sheets if necessary)

- 1. Do you have any issues with attending meetings at the specified times? (See Meeting Schedule) Current meeting schedule works well 1<sup>st</sup> Wed of every month, 6:30P- the only months I may have an issue are March, April, and May due to work reasons. Generally, shouldn't be an issue but something to be aware of.
- 2. Please indicate why you are interested in serving on any of the above Board, Committee or Commission: My name is Denise Krentz and I was born and raised in Berlin. I have been working in the emergency services field almost my entire career. I bring a background in fire and finance that I feel would be relevant to this Commission. Our police and fire services are accountable to the members of our community, and if chosen to serve on the Police and Fire Commission, I will strive to make sure our citizens receive the services they expect and deserve given the fiscal restraints all budgets face.

- 3. What knowledge, experience, or abilities do you have that would make you an effective board member: I have worked for the WI Dept. of Natural Resources for over 14 years. My position is in wildland fire control administration, public lands finance/grants and audits within the Division of Forestry. I have been in partnership with local fire departments my entire career ensuring MOU's are updated and fire department suppression invoices are paid in a timely manner. Before my current position with WI-DNR I was a wildland fire fighter/ heavy equipment operator partnering with local FD's for fire suppression needs. Currently, I lead all public lands audits within 15 counties and I'm in charge of timber sale revenue spending within Northeast Wisconsin.
- 4. Please provide any additional information for consideration:

I have been considering becoming a part of this community for some time and happened to be notified of this opportunity through networks at the city. Please feel free to reach out to me with any questions you may have.

Thank you for your consideration,

Denise Krentz 920-570-0439 (cell) dkren331@yahoo.com To: Common Council

RE: ARPA Funds Availability

Beginning Amount: \$563,640.00

#### What has been spent: \$315,470.11 (highest estimate)

Playground total \$95,937
 Security Cameras \$65,485.00
 City Hall Roof \$79,742.82

- ½ Library Roof \$34,533 (total was \$69,066)

- Fire Station Generator \$17,575.45 + installation costs (not to exceed 25K)

- Mueller Communications \$9,772.29

- Senior Center Stairs \$5,000 (not to exceed \$5K)

Funds Remaining Estimate: \$248,170

Clerks Department Financial Software ARPA Funds Request

#### Background:

We are in need of a new financial software in the Clerk's office and would need to use ARPA funds to purchase it due to the high beginning cost. Our current software is over 22 years old, the number of municipalities that have it is dropping every year, support is almost non-existent at this point and it is difficult for new staff members to learn as it is extremely clunky. The Clerks have spent several months researching what software would be the best fit for our system based off of the accounts we use, funds we have, balancing we do, and day to day clerking needs. We all feel Caselle Software is an excellent fit. There are several municipalities around us that use it, including Redgranite. Caselle has converted many municipalities from our current software (Banyon) so the transition shouldn't be too difficult. They have a variety of training options and videos available to help and staff is available 24/7.

The expected cost for all the programs we would need (basic financial, utility billing, point of sale, fixed assets) is between 22 - 25K, depending on the final softwares we decide to go with.

We are asking for ARPA funds to purchase these software programs to not exceed \$25,000. The yearly fees that follow would be paid out of the Clerk's software budget lines.

### General Ledger

General Ledger is an essential asset for all organizations that need an effective way to responsibly track and report all of their financial information

Feel confident in balancing your financials with this flexible, user friendly software. General Ledger allows you to seamlessly interface to various subsystems to record all your diverse financial transactions, making reporting and reconciling a breeze. Year-end reports are easier than ever. and you can retain prior year information to help analyze trends and generate budgets for the upcoming year. Powerful import and export options allow you the flexibility to utilize and distribute information outside of Caselle applications. Expand your reach and simplify your financial processes, from start to finish.

#### ONLINE

- View account lists and transaction details using a web browser
- Web based tool for submitting budgets
- View budget summary comparisons by fund or department
- Create watch lists to monitor account balances

#### **EFFICIENT**

- Interfaced subsystems create journal entries
- Simplified bank reconciliation
- Account inquiry with the ability to drill into transaction details
- Track and report activity costs
- Complete budget tools for preparation and reporting
- Utilize grant reporting capabilities

#### **FLEXIBLE**

- · Customizable financial statements
- Year-end closing routine with easy prior year access
- Broad import and export functionality

#### INTERFACES WITH

- Accounts Payable
- Business Tax Collection
- · Community Development
- · Project Accounting
- Timekeeping

- · Accounts Receivable
- · Cash Receipting
- · Court Management
- · Property Improvements
- Utility Management
- · Asset Management
- Cemetery Management
- Materials Management
- · Property Tax Collection
- · Business License
- · Check on Demand
- · Payroll
- · Purchases & Requisitions

### Cash Receipting

Caselle Cash Receipting is a time-saving must for any organization that needs to process customer payments.

Record all payments in one central location, print receipts and reports, and balance your deposit. Then push a button, sit back, and watch your payment information update to General Ledger and the other Caselle applications. Master Contacts make this process even more efficient by displaying customers' outstanding balances for all applications when you pull up their account to make payment for one application. A miscellaneous category also allows you to collect customer payments for convenience fees and other miscellaneous charges that do not apply to other Caselle applications, sending that information directly to General Ledger.

#### EFFICIENT

- Labor-saving entry corrections and voiding procedures
- Quick receipt entry setup and redisplay options
- Optional module to print endorsement information on checks
- · Customer information inquiry
- Auto-generated deposit slips

#### **BENEFITS**

- Online payment interface complete with email notifications and credit card interface
- Record all customer payments in one location
- Master Contacts allow quick access to customer balances from all Caselle applications in one payment entry screen

#### FLEXIBILITY

- Handle electronic cash drawers and check validation automatically
- Create deposit for multiple bank accounts
- Automated Internet and credit card payments
- Comprehensive balancing registers
- User-defined payment categories

#### INTERFACES WITH

- Accounts Receivable
- Business Tax Collection
- Court Management
- Property Tax Collection
- Animal License
- Cemetery Management
- General Ledger
- Utility Management
- · Business License
- Community Development
- · Property Improvements

#### ENHANCED WITH

- Online Payment/Credit Card Interface
- Integrated Remote Check Deposit

*<b>©CASELLE* 

### Accounts Payable

With the Caselle Accounts Payable application, issuing checks and managing vendor information is a snap for the accounts payable clerk or anyone else who needs an easy way to oversee invoicing and payments for their organization.

With this powerful software, you can track vendors, issue checks, and record invoices. Simplify your payment process by paying vendors through ACH transactions and creating invoices from purchases made with credit cards. Combine this application with Purchases & Requisitions and General Ledger to enable full encumbrance accounting.

#### BENEFITS

- Track invoices and checks for each vendor.
- Set budget warning for invoice entry to indicate when an account's budget has been exceeded.
- Manage both discounts taken and discounts lost.
- Lookup vendor and invoice information through Connect Online.

#### **EFFICIENT**

- Set default descriptions and GL account numbers for each vendor to speed the invoice entry process.
- Enter invoices with cost allocated by percentage or amount to multiple GL accounts.
- · Generate 1099s effortlessly.

#### FLEXIBLE

- Utilize cash, modified accrual, or full accrual accounting.
- Set multiple, user-defined approval limits for the invoice approval process.
- Create customized check and voucher forms with our built-in forms designer.
- · Create user-defined fields.

#### INTERFACES WITH

- Asset Management
- · Materials Management
- · Document Management
- · Project Accounting
- · General Ledger

#### ENHANCED WITH

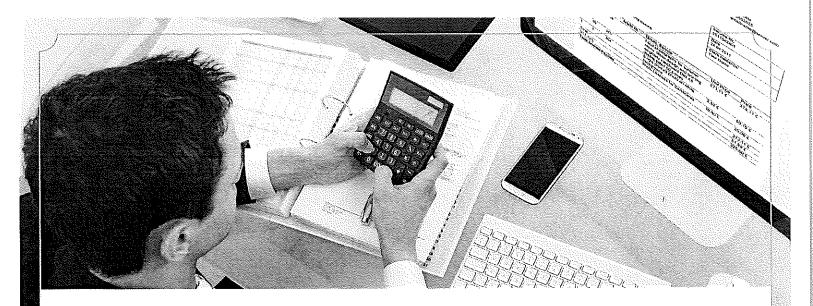

- ACH Direct Payment
- · Purchases & Requistions

### Accounts Receivable

The Caselle Accounts Receivable application is the solution for all organizations that need to bill and track payments for miscellaneous service.

This software will allow you to track, maintain, and manage all of your accounts receivable billings. Use detailed invoices or combined statements to assist your collection and information tracking process. Easily record payments, calculate penalties/late fees, and print statements, invoices, and payment reminder notices to keep yourself and your customers on track. This flexible software gives you the option to enter invoices manually or set up recurring invoices, which simplifies the billing process.

#### **BENEFITS**

- Generate user-defined invoices, statements, letters, and delinquent notices.
- Automate penalty and sales tax calculation.
- Easily access customer information through our inquiry and reporting tools.
- Optional customer deposit tracking.

#### **FLEXIBLE**

- Flexible billing rate calculations by quantity or flat amounts.
- · User-defined fields.

#### **EFFICIENT**

- Interface to General Ledger to generate journal entries automatically.
- Set up recurring invoices to save time and eliminate repetitive entry.
- Utilize user-defined defaults for quick and accurate data entry.

#### INTERFACES WITH

- · Cash Receipting
- · Materials Management
- · Check on Demand
- · Project Accounting
- · Document Management
- · General Ledger

### Payroll

### PAYROLL

Caselle Payroll is more than just processing employee checks - it's about automating your entire payroll process from start to finish. This application is perfect for any sized organization that does its own payroll.

The Payroll application provides end-to-end processing and reporting, allowing you to track employee checks, leave time and employer benefit expenses. Flexible reporting allows you to enter all necessary information in one central location and provides you with the means to easily grow and adapt your payroll processes as the needs of your organization change. Discover what stress-free processing really feels like.

#### **BENEFITS**

- · Complies with federal, state, and local government reporting requirements
- · Prints and exports state retirement reports
- Employee W-2 reporting
- · Tracks employee pay, leave, and benefit amounts
- Payroll vendor payments
  - Profile and view employee Information through Connect

#### **EFFICIENT**

- · Powerful reporting options
- Compute all employer benefits costs for each employee
- Print out of cycle, termination, and payout checks
- Report year-end information to the IRS with an optional electronic reporting module
- Issue vendor check's and invoices from one central location

#### FLEXIBLE

- · Adjustable leave time accrual rates
- · Supports before and after tax deductions
- Fringe benefit tracking
- User-defined paycheck and voucher formats
- · User-defined fields

#### INTERFACES WITH

- · Check on Demand
- General Ledger
- Project Accounting
- Document Management
- · Human Resources
- Timekeeping

#### ENHANCED WITH

- · Electronic Paystubs
- · Human Resources
- · Timekeeping
- · Electronic W-2/1099
- · Payroll Direct Deposit

#### RE: City Hall fire alarm panel

BACKGROUND: The current fire alarm panel is functioning as it should and just recently passed the annual fire alarm inspection. Parts for this unit are obsolete and are no longer supported by the manufacturer. Completing the first phase of this process is the biggest obstacle because it includes the survey, design and engineering involved in upgrading to a new panel. There is also the process of having the plans reviewed and approved by the state which takes some time. Once the first phase is completed that is all that needs to be done until it fails. At that point there are no surprises and minimal down time because all the engineering is completed and approved by the state. Once it fails we can move to phase 2 which is replacing the old with the new. Please keep in mind that the existing panel could last a year or it could last 5 years but when it does fail we will be prepared because the first phase is completed.

RECOMMENDATION: Approve the use of ARPA funds to complete the first phase of replacing the City Hall fire alarm panel.

Fire Alarm System – Survey, Design and Engineering

Dear Scott,

We are pleased to provide a phased proposal to supply a Fire Alarm System Upgrade at the abovereferenced facility. Phase-1 includes the survey, design and engineering of a new code compliant building Fire Alarm System. This proposal is based on information obtained from the walk-through on April, 12th.

This proposal constitutes the contract between the parties until and unless it is replaced by a new document signed by both parties.

Thank you for this opportunity to assist with this project. If you have any questions or require further details, please do not hesitate to contact me at 920.204.2540 or jleroy@ahernfire.com.

Respectfully Submitted,

**Ahern Fire Protection** 

lason A Le Rou

A division of J. F. Ahern Co.

JAL/mjo

Via Email

J:\Estimating\681 - AFP Fire Systems Equipment\Jason LeRoy\City of Berlin\BOOKING INFO\3. Proposal Letters\City of Berlin Fire Alarm Design 4.28.23.docx

#### Description of Building:

The existing building is currently protected with an addressable EST building fire alarm system that is no longer supported by the manufacturer. The occupancy classification for the protected building is Group (B) and is approximately 20,000 square feet.

#### Basis of Design:

A project such as this is best approached in a phased basis. This allows for a complete survey to be performed and detailed design and installation drawings to be developed. From these design drawings, we can then provide an accurate equipment proposal. These drawings will also allow for accurate electrical installation estimates to be prepared by electrical contractors. This phase must be completed so Ahern can survey and verify the facility layout is accurate in AutoCAD before the new fire alarm system can be designed/engineered.

The Fire Alarm System will be designed to meet the requirements of IBC, NFPA 72 for fire alarm systems as well as considerations of compliance with ADA notification requirements.

#### Equipment and Services to be provided:

#### Phase-1 (Survey, Design & Engineering)

- Pre-design site visit with owners rep
- Site survey to accurately reflect the building and existing fire sprinkler components
- Verify accurate building layout in AutoCAD
- Fire alarm system design and equipment submittals
- Voltage drop calculations
- Complete installation drawing package to be prepared for Phase-2 pricing
- State of Wisconsin plan review fees
- Walk-through with Electrical Contractors to prepare firm installation estimates

#### Notes and Clarifications:

- 1. Price is based on receiving AutoCAD files of the building layout.
- 2. Price is based on unrestricted access to all areas during the survey, installation, and testing.
- 3. J. F. Ahern cannot be responsible for any costs or fees assessed by local fire departments or municipalities resulting from unintended emergency calls.
- 4. No allowance has been made for any inspection items in excess of those detailed above which may be requested by any particular insurance agency/underwriter or Authority Having Jurisdiction.
- 5. Pricing is based on all work being performed during normal working hours of 7:00 am to 4:00 pm, Monday through Friday excluding Holidays.
- 6. The attached General Terms and Conditions shall be made part of this proposal.

#### Notes and Clarifications (Cont.):

- 7. Equipment delivery for Phase 2 is approximately 12-16 weeks after receipt of local & AHJ approvals.
- 8. **Standard Agreement** This proposal constitutes the contract between the parties until and unless it is replaced by a new document signed by the parties.
- 9. This proposal is valid for 10 calendar days from the date of the proposal due to the current market volatility in the cost of the material and equipment. If the customer issues a contract based on this proposal more than 10 calendar days after the date of the proposal, the customer agrees that J. F. Ahern Co. will be allowed to revise the price for this work to reflect the current market costs of material and equipment. J. F. Ahern Co. will provide reasonable documentation to substantiate any increased costs.

#### **Exclusions:**

1. Phase-1 price does <u>not</u> include the fire alarm system components or installation. Phase-2 (Installation) pricing will be provided after AHJ approvals are received. Price is for fire alarm system upgrade design only.

#### Price:

Material Price Increases: The price and schedule set forth in this proposal for the Scope of Work of Ahern ("Contract Price and Schedule") has been calculated and determined without any contingency for material price escalation impacts. Accordingly, while Ahern shall diligently work toward mitigating any effects of material price increases on its ability to perform its obligations under this proposal, this proposal is submitted under the assumption that any material price escalation impacts upon the Contract Price and Schedule will entitle Ahern to a commensurate equitable adjustment to the Contract Price and Schedule to account for any such increased costs or delays resulting therefrom. Such impacts shall include, but not be limited to, costs and delays caused by events beyond Ahern's control that arise from or are connected with government-imposed measures, government prohibitions, quarantines, national, regional or local emergency declarations, labor stoppages, slowdowns or shortages, or other industrial disturbances, shortages of goods, unreliable supplier lead times, lack of adequate power or transportation facilities, and other like events. This provision includes the following terms regarding impacts on materials unit costs used by Ahern in establishing the current Contract Price. The Contract Price shall be adjusted for escalation of the cost of such materials to be purchased by Ahern based on this adjustment will only apply to price changes in excess of five percent (5%).

Due to the volatility of prices from suppliers, this proposal is valid for ten (10) days from date of issue listed on the cover page of the proposal. If you accept this proposal after this time period Ahern will adjust the proposal to ensure that it contains the most recent pricing due to significant market fluctuations. The proposal will not be valid until such adjustment is agreed upon by the parties. In no event shall any proposal be valid for more than thirty (30) days from the date of issue listed on the cover page of the proposal unless explicitly consented to by Ahern in writing.

City of Berlin 4/28/2023 Page **4** of **5** 

#### Payment Terms:

Progress payment applications will be presented for equipment received at Ahern's facility and monthly for work completed to date with payment expected 30 days from date of application.

Final payment is due 30 days after presentation of project close-out documents.

Thank you for this opportunity to quote. If you have any questions or require further details, please do not hesitate to contact me.

*ACCEPTED:	DATE:	
*Signed acknowledgement of this	proposal confirms acceptance to all above specifications, as well as the enclosed "Gen	iera.
Terms and Conditions" requiremen	nts

permitted assigns.

PROPOSALS AND CONTRACT Seller's proposal or quotation are not subject to cancellation, suspension, or reduction in amount except with Seller's written consent and upon terms which reimburse Seller for work performed, plus reasonable overhead and

profit.

PRICES In addition to the prices specified herein, Purchaser shall pay for all extex work requested by Purchaser or made necessary because of incompleteness of or inacturacy in plans or other information submitted by Purchaser with respect to location, type or occupancy, or other details of work to be performed hereunder. If the work to be plans or other information submitted by Putchaser with respect to location, type or occupancy, or other details of work to be performed hercunder. If the work to be furnished hercunder constitutes an addition to Putchaser's existing facilities, prices and delivery and completion dates quoted herein are based on information, if any with respect to layout of such facilities now contained in Seller's engineering records. In the event the layout of Putchaser's facilities has been altered or is altered by Putchaser prior to completion of this Contract, Putchaser shall advise Seller of any such alterations and prices and delivery and completion dates quoted herein shall be modified by Seller as may be required because of such alterations. Unless prices are stated by Seller in this or other documents from each of this Contract, the price's another her the state work.

be required because of such alterations. Unless prices are stated by Sellerin this or other documents forming a part of this Contract, the prices applicable to the extra work performed shall be Seller's prices in effect at that time.

PAYMENT All payments shall be due and payable within thirty (30) days from date of payment applicable in twoite. A service charge will be charged and added to all payments past due and owed by the Purchaser under this Contract, and at a rate of 18% per annum or if such rate is prohibited under applicable law, then at such hower rate as is the maximum rate pomitted to be contracted for under such applicable law. Purchaser shall pay any reasonable atmostly fix for the contracted in the collection of past due accounts. If the Purchaser fails to pay all or any portion of the amount due, the Seller may, at its option, terminate the Contract, in which event Seller will be obligated to perform no additional work until paid in fail.

DELAYS Seller shall not be liable for any damage or penalty for delays in work due to acts of God, acts or omissions of the Purchaser, acts of civil or military authorities,

acts of God, acts or omissions of the Purchaser, acts of civil or military authorities, acts of Cod, acts of onlinescopy in the Fuctuases, acts of cut of influsty automotics, government regulations or phononies, quarantines, pandemics, fires, floods, pandemics, epidemics, quarantine restrictions, war, nots, stalkes, differences with workinen, accidents to machinery, inability to obtain necessary labor, materials or manufacturing facilities, delay in transportation, defaults of Seller's subcontractors, failure or delay in furnishing delay in transportation, defaults of Source's supportantivities, families to delay in distinsing correct or complete information by Purchaser with respect to location or or interesting work to be performed hereunder, impossibility, or impracticability of performance or any other cause or causes beyond the control of Soller, whether or not similar to the foregoing in the event of any delay caused as aforesaid, the completion shall be extended for a in the event of any cleay caused as atoresaud, the completion shall be extended for a period equal to any such delay and this Contract shall not be void or voidable as a result of any such delay. In case work is temporarily discontinued by reason of any of the foregoing all unpaid installments of the Contract pice less an amount equal to the value of material and abor not funished shall be due and payable upon receipt of invoice EXCAVATION When the Seller does the excavating, if water, quick-sand, mck, or other unforces on obstructions are encountered or shoring is required, Purchaser shall pay for as extra to the Contract price any additional work involved at Seller's prices for such mead, then in offer.

ork then in effect

WORK INCH IN CIRCLE STITE FACILITIES Purchaser shall furnish all necessary facilities for performance of its work by Seller, adequate space for storage and handling of material, light, water, heat, local telephone, watehman and crane and elevator service, if available, and necessary

permits. Where wet pipe system is installed, Purchaser shall supply and maintain sufficient heat to prevent freezing of the system.

STRUCTURE AND SITE CONDITIONS While employees of Seller will exercise reasonable care, Seller shall be under no responsibility for loss or damage due to the character, condition or use of foundations, walls or other structures not exected by it or resulting from excavation in postingly thereto, nor for damage resulting from concazed piping, witing, fixtures or other equipment or condition of water pressure. All shoring or protection of foundations, walls, or other structures subject to being disturbed by any excavation required hereunder shall be the responsibility of the Purchaser unless otherwise specified. Purchaser warrants the sufficiency of the structure to support the sprinkler system and its related equipment (including thats). The Purchaser shall have all things in readiness for installation, including, but not limited to, materials lay-down areas or suitable working base, and facilities for exection at the time the materials are delivered. In the event the Purchaser shall fail to have all things in readiness for exection at the time of receipt of the materials at the place of exection, the Purchaser shall reimburse Seller for any and all expenses caused by such failure. Failure to make areas available to Seller during performance in accord with schedules which are the basis of Seller's proposal shall be considered a failure to have all things in readiness for exection in accord with the terms of this Contract.

CODE COMPLIANCE Seller does not undertake an obligation to inspect for compliance with laws or regulations unless specifically stated in the Scope of Work.

Purchaser acknowledges that the Authority Having Jurisdiction may establish additional

requirements for compliance with local codes.

requirements for compliance with local codes.

REPORTS When inspection and/or test services are selected such inspection and/or test services shall be completed on Seller's then current inspection form which shall be provided to Pauchaser, and, where applicable, Seller may submit a copy thereof to the local Authority Having Justicition. The inspection form and recommendations by Seller are only advisory in nature and are intended to assist Purchaser in reducing the tink of loss to property by indicating obvious defects or impairments noted on the system and equipment inspected and/or tested. Final responsibility for the condition and operation of the system, equipment and components lies with Purchaser. The Purchaser shall promptly notify Seller of say malfanction in the system which comes to Purchaser's attention. If upon inspection Seller determines that repairs are recommended, repair charges will be submitted for approval pinor to any words. Should such repair work be declined Seller shall be relieved from any and all bladity assing thereform. UNLESS OTHEREWISE SPECIFICED IN THIS CONTRACT, ANY INSPECTION (AND IP SPECIFICED TESTING) PROVIDED UNDER THIS CONTRACT DOES NOT OFFERWISE SPECIFICED IN THIS CONTRACT, MYST STREET, OFFER SPECIFIED TESTING) PROVIDED UNDER THIS CONTRACT DOES NOT INLCUDE ANY MAINTENANCE, REPAIRS, ALTERATIONS, REPLACEMENT OF PARTS, OR ANY FIELD ADJUSTMENTS WHATSOEVER, NOR DOES IT INCLUDE THE CORRECTION OF ANY DEFICIENCIES IDENTIFIED BY SILLER TO PURCHASER. SELLER SHALL NOT BE RESPONSIBLE FOR EQUIPMENT FAILURE OCCURING WHILE SELLER IS IN THE PROCESS OF FOLLOWING ITS INSPECTION TECHNIQUES, WHERE THE FAILURE ALSO RESULTS FROM THE AGE OR OBSOLESCENCE OF THE ITEM OR DUE TO NORMAL WEAR AND TEAR. THIS CONTRACT DOES NOT COVER SYSTEMS, EQUIPMENT, COMPONENTS OR PARTS THAT ARE BELOW GRADE, BEHIND WALLS OR OTHER OBSTRUCTIONS.

ALARM MONITORING SERVICES Any reference to alarm monitoring services in this Contract is included for pricing purposes only. Alarm monitoring ser-performed pursuant to the terms and conditions of Seller's standard alarm ma

performed pursuant to the terms and conditions of Selles's standard alarm monitoring services agreement which will be provided under separate agreement upon purchase. EXCLUSIVE LIMITED WARRANITY Seller warrants that any new equipment provided by Seller under this Contact will be free from defects in material and workmarship arising from normal usage for a period of one (1) year from delivery of said equipment, or, (finstalled by Seller, for one (1) year from installation. This warranty does not extend to normal wear and tear, any equipment dust others have repaired, abused, altered, misused or that has not been properly and reasonably maintained. All parts as recorded on the face of the work order or invoice are warranted for a period of thirty (30) days, or longer, if the manufacturer's specific warranty provides additional time. If a part installed by Seller fails within thirty (30) days of installation, Seller shall funish a replacement part free of charge. Parts furnished with a manufacturer's specific warranty shall be funished in accordance with the specific warranty. Seller will charge for labor to report or replace parts unlies the labor is necessary to correct a repair previously made shall be fumished in accordance with the specific warranty. Seller will charge for labor to replace parts unless the labor is necessary to correct a rapia previously made by Seller within thirty (20) days of the date of the original repair. Refrigerant leak repairs are warranted for a period of thirty (30) days. If within thirty (30) days of the original repair a leak redevelops, Seller shall furnish at no cost to Purchaser the necessary refrigerant and labor for the repair. Any other loss of refrigerant will be billed at Seller's normal selling price. EXCEPT AS EXPRESSLY SET FORTH HEREIN, SELLER DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED INCLUDING BUT NOT LIMITED TO ANY IMPLIED OR EXPRIESS WARRANTIES OF HERCHANTABILITY AND WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AS TO ANY SERVICES PERFORMED OR THE PRODUCTS, SYSTEMS OR INCUMPAGNITY OF THE PRODUCTS. not contained herein, or affirmation of fact made by an employee, agent or representative of Seller shall constitute a warranty by Seller or give rise to any liability or obligation. Any repairs, adjustments or connections performed by Purchaser, or any third party shall void

Seller's liability to Purchaser for personal injury, death or property damage to the extenassing from performance under these terms and conditions shall be limited to an amount not to exceed one (1) year's Contract price. Purchaser shall indemnify, defend, and hold Seller hamiless from any and all third-party claims for personal injury, death, or property damage, asing from Purchaser's failure to maintain systems and equipment or keep them in operative condition, whether based upon contract, warranty, not, stock liability or otherwise. In no event shall Seller be liable for any special, indicate, incidental, consequential, liquidated, penal, or any economic loss damages of any kind, including but consequences, aquatette perial, early economic tost stanges or any satisfactions of the Turkness's property, lost profit or lost production, whether claimed by the Purchaser or by any third party, incespective of whether claims or actions for such damages are based upon contact, wantanty, negligence, tort, statisfiability or otherwise. The foregoing limitation of warranty and liability shall supersede any and all other warranty and liability terms previously given or hereafter given unless amendments in made by an officer of Seller in wining.

MODIFICATIONS AND SUBSTITUTIONS Seller reserves the right to modify

MODIFICATIONS AND SUBSTITUTIONS Seller reserves the right to modify material of Seller's design solid hereunder and/or the drawings and specifications relating theetho, or to substitute material of later design to fillfall this Contract provided that the modifications or substitutions will not materially affect the performance of the material or lessen in any way the utility of the material to the Purchaser.

SEVERABILITY If any provision of this Contract is held by any court or other competent authority to be void or unenforceable in whole or in part, this Contract will continue to be valid as to the other remaining and unaffected provisions.

WAIVER, Seller's waiver or acceptance of any breach by Purchaser, or Seller's failure to insist, in any one or more instances, upon the static performance of any purvision of the Contract, or to exercise any right herein, shall not be constatued as a waiver or relanguishment by Seller of such provision or right in any other instance.

ASSIGNMENT Any assignment of this Contract by Purchaser without the written consent of Seller shall be null and void. Seller may assign to its subsidiaries and affiliates at any time.

at any time.

CHANGES, ALTERATIONS, ADDITIONS Changes, alterations and additions to the plans, specifications, or construction schedule for this Contract shall be invalid unless approved in writing by Seller. For any such changes approved by Seller in this manner, which will increase or decrease the cost and expense of work to Seller, there shall be a corresponding increase or decrease in the Contract price herein provided. The value of additional work shall be agreed upon prior to the performance of said work. However, if no agreement is reached prior to the performance of said work. However, if no agreement is reached prior to the performance of additional work approved in the manner herein described, and Seller elects to continue performance so as to avoid delays, then the estimate of Seller's Estimating Department as to the value of the work shall be deemed accorted by the Purchaser.

then the estimate of Seller's Estimating Department as to the value of the work shall be deemed accepted by the Purchaser. LEGAL NOTICE For the purpose of any notice permitted or required to be given hereonder, such notice or notices shall be deemed given when received. INSURANCE Purchaser shall name Seller as an additional insured on Purchaser's general liability and auto liability policies, which shall be provided on a primary, non-contributory basis. Purchaser shall earry property and casualty coverage and/or builders six coverage with sufficient limits to cover any potential loss or damage. A wavie of subnogation is required for all policies required herein. Purchaser agrees that with respect to any losses covered by this Contract Purchaser hereby waives and releases Purchaser, its officers, directors, employees, and agents, from any and all claims and liability or esponsibility with respect to such losses, including losses arising out of the inability to conduct business. Purchaser agrees that its insurers and liability to conduct business. Purchaser agrees that its insurers thall have no right of subrogation against Seller and its insurers on account of this release.

TERMS AND CONDITIONS/TECHNICAL SPECIFICATIONS Teems and conditions specified herein shall be in addition to those set out in Seller's technical

conditions specified herein shall be in addition to those set out in Seller's technical specifications and any inconsistencies shall be resolved by Seller's authorized

CLAIMS AND CHOICE OF LAW The parties agree that no suit, or cause of action or other proceeding shall be brought against either party more than one (1) year after the accusal of the cause of action or one (1) year after the claims arise, whichever is shorter, whether known or unknown when the claims arises or whether based on tort, contract,

whether known or unknown when the claims arises or whether based on tost, contract, or any other legal theory. The laws of Wisconsian shall govern the validity, enforceability, and interpretation of this Contract. The parties agree that the venue for any hitgation shall be Fond du Lac County, Wisconsian.

OVERTIMB Unless otherwise specified by Seller, all installation work will be performed during regular working hours. If Purchaser shall require any overtime labor, Purchaser agrees to reimburse Seller for the overtime premium of the same. If overtime labor is required on an entergency basis, Purchaser agrees to reimburse Seller for same. INCIDENTIAL LOSSES All loss or damage from any cause to the materials, tools, equipment, work or wookmen of the Seller or its agents or subcontractors while in or about the premises of the Purchaser shall be bome and paid for by the Purchaser, except in the event that such loss or damage results from the sole negligence of Seller.

INDEMNIFICATION To the fullest extent permitted by law, Purchaser shall indemnify, defend, and hold hamiless Seller and its agents and employees from and against any and all actual or alleged claims, fines, penalises, liens, causes of action, suits, demands, damages, labidities, losses, costs and expenses, including, but not limited to, attoneys' fees, that asise from, relate to, or otherwise are connected with, in whole or in part, the, acts or omissions of Seller, its suppliers, subcontractors, and their expective

attority: Tees, that anse from, traise to, or outerwise are connected with it white or in part, the, acts or omissions of Seller, its suppliers, subcontractors, and their respective employees, agents or representatives whether or not such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or

warranty, tot (including but not limited to active or passive negligence), strict hisblirty or otherwise. Seller reserves the right to select counsel to represent it in any such action. DEFAULT In case of any default by Purchaser, Sellermay declare the Contract price or all unpaid installments thereof to be immediately due and payable (whether or not said work shall have been completed) or may enter Purchaser's premises and remove all or any portion of materials provided by Seller. All such remedies of Seller are cumulative and not exclusive. Seller shall also have the right to terminate the Contract due to Purchaser's default, effective at the time notice of termination is received by Purchaser. Default by Purchaser shall consist of failure to pay any installment of price when due, no

demand being necessary, or any act or omission on the part of Purchaser whereby Seller is prevented from completing said services, or receivership, bankuptcy, assignment for the benefit of redditors or any other form of insolvency proceedings by or against Purchaser or in case said premises or said system shall be attached, liened or seized by process of law and such attachment or lien shall not be vacated or seizure termi

with ten (10) days after its occurrence.

SPECIAL CONDITIONS in the event new equipment is carried into existing equipment, the Seller will only test in high pressure the new work involved and any high-pressure test required on the old work will be an extra to the Contract price. Purchaser equipment, the Seller will only test in high pressure the new work moviet and any highpressure test required on the old works will be an extra to the Contract price. Purchaser
assumes full responsibility for the condition of existing equipment and for water or other
damage resulting directly or indirectly from such condition or other application of test or
flushing pressures. In the event existing equipment is being repaired, Seller does not
assume any responsibility for testing old and new piping, and any testing will be an extra
cost to the Contract price, which will include costs of labor and materials required to
make the system fight at high pressure. Purchaser assumes full responsibility for the
condition of existing equipment, and for water or other damage resulting directly or
indirectly from such condition or the application of test or flushing pressures. In the
event a spinkler system is converted from a wet system to a day system, the Seller is not
responsible for the costs to repair the existing wet pipe system to make it tight at the
equired air pressure. Nor is the Seller exponsible for the cost of material necessary to
re-arrange the lines to insure proper drainage thereof. Any labor or material necessary to
make the system bight under air pressure or to change the desinage on lines will be an
extra cost to the Contract price. Seller acknowledges that Seller is responsible for
ensuing that water based spirable priping is adequately heated to prevent receing and
that all drum dips are required to be maintained and drained by Purchaser
HAZARDOUS CONDITIONS Purchaser represents to the best of Purchaser's
knowledge that no hazardous conditions such as ask of infectious disease, MIC, need for
air monitoring, respiratory protection, or other medical risk, as bestos, as bestos containing
material or other potentially toxic or otherwise heazendum material are contained in or on
the surface of the floors, walls, celling, insulation or othe structural components of the

the surface of the floors, walls, celling, insulation or other structural components of the area of any building where work is required to be performed under this Contract. If hazardous conditions are encountered by Seller during the course of Seller's work, Seller shall have no obligation to further perform in the area where the luzzardous conditions exist until the area has been made safe by Purchaser as certified in writing by an independent testing agency, and Purchaser shall pay discuption and re-mobilization expenses as determined by the Seller. All hazardous materials shall at all times remain

independent testing spency, and Pitchister hast pay discipling that the independent testing spency of the Seller. All hazardous materials shall at all times remain the responsibility and property of Pitchister. Seller shall not be responsible for the testing, removal, or disposal of such hazardous materials.

WASTE MANAGEMENT. If the work calls for the disposal of wastes (hazardous, non-hazardous, or solid under applicable laws and regulations), it shall be performed in conformity with all applicable laws and regulations. Purchaser shall execute all manifests for the transportation, storage and disposal of any wastes removed from the project site. If directed by Purchaser, Seller may sign such manifests solely on behalf of and for the Purchaser, and Seller assumes no liability therefore and Purchaser creleases and waives any claim against Seller and shall indemnify, defend, and hold harmless Seller from any claims or liability arising from or related theirto, in accordance with this paragraph. At no time will Seller take tide to any solid and/or hazardous wastes located on or removed from the project site. Any such wastes shall be transported and disposed of as directed by Purchaser and in conformity with all applicable laws and regulations. Nothing in this Contract shall be construed or interpreted as requiring Seller to assume the status of, and burchaser acknowledges that Seller does not act in the capacity nor assume responsibilities of, Purchaser or others as a 'generator,' 'operator,' 'transporter' or 'arranger' in the textment, storage, disposal or transportation of any hazardous substance. ranger in the treatment, storage, disposal or transportation of any hazardous substance or waste as those terms are understood within the meaning of RCRA, CERCLA, or any other similar federal, state or local law, regulation or ordinance. Purchaser acknowledges other similar federal, state or local law, regulation or ordinance. Purchaser acknowledges further that Seller has played no part in and assumes no responsibility for generation or creation of any waste that may be the subject matter of this Contract. Purchaser shall defend, indemnify and hold hannless Seller from and against any and all demnands, claims, labilities (notheding satic thabilities), losses, costs, expenses (including attorneys' fees), fines, penalties, forfeitures, liens, and damages on account of Seller having contracted with Purchaser or that result from Seller having arranged for the disposal no transportation of wastes that were generated on or removed from the project site OSHA COMPILIANCE Purchasers shall indemnify, defend, and hold Seller hamless from and against any and all claims, demands, and damages arising in whole or in part from the enforcement of OSHA (and any amendments or changes thermto) unless said claims, demands or damages are a direct result of causes within the exclusive control of

claims, demands or damages are a direct result of causes within the exclusive control of

LIEN LAWS (WISCONSIN ONLY) AS REQUIRED BY THE WISCONSIN CONSTRUCTION LIEN LAW, CLAIMANT HERBBY NOTIFIES OWNER THAT PERSONS OR COMPANIES PERFORMENG, FURNISHING OR PROCURING LABOR, SERVICES, MATERIAL, PLANS, OR SPECIFICATIONS FOR THE CONSTRUCTION ON OWNER'S LAND MAY HAVE LIEN RIGHTS ON OWNER'S LAND AND BUILDINGS IF NOT PAID. RE: Preliminary Resolution Declaring Intent to Levy Special Assessments for 2023 Lafayette Street and Utility Project

<u>BACKGROUND</u>: There will be special assessments to property owners along the 2023 Street and Utility project site area, mostly for sewer laterals. Residents are invited to a public informational meeting to be held on Thursday, May 25<sup>th</sup> to review the plans and discuss potential assessments. I have attached a copy of the memo that went out to affected residents along with a list of the properties to be assessed.

The next step is for Council to approve a preliminary resolution declaring the intent to special assess these property owners and to schedule a public hearing. Once the Preliminary Resolution is passed and a date scheduled for the public hearing (most likely for June 13<sup>th</sup> 2023), staff will send the required information on the project to the property owners and invite them to the public hearing. After the public hearing, if appropriate, the Council will approve a Final Resolution authorizing to move forward and to special assess the affected property owners.

<u>RECOMMENDATION</u>: Approve Preliminary Resolution #23-05 Declaring the Intent to Levy Special Assessment Under Municipal Police Power Pursuant to §66.0703, Stats. Upon the Following Designated Areas: Lafayette Street (N. Washington-N. Kossuth) and schedule a public hearing for the June 13<sup>th</sup> 2023 Common Council Meeting.

#### **RESOLUTION #23-05**

PRELIMINARY RESOLUTION DECLARING INTENT TO LEVY SPECIAL ASSESSMENTS UNDER MUNICIPAL POLICE POWER PURSUANT TO §66.0703, STATS. UPON THE FOLLOWING DESIGNATED AREAS:

#### 2023 Street & Utility Improvements

Lafayette Street (N. Washington - N. Kossuth St.)

NOW THEREFORE BE IT RESOLVED by the City of Berlin Common Council:

1. The Common Council hereby declares its intention to exercise its police power under §66.0703, Stats., to levy special assessments upon property in the assessment district hereinafter described for benefits conferred upon such property by reason of the following public work and improvements:

Installation of sewer laterals on the following streets as shown on the accompanying maps:

Lafayette Street (N. Washington St. - N. Kossuth St.)

Install, repair, and replace sidewalks as necessary on the following streets, the specific extent of such improvements to be determined and included in the City Engineer's report referenced in paragraph 5 below:

Lafayette Street (N. Washington St. - N. Kossuth St.)

2. The property to be assessed lies within the following described assessment district:

Lafayette Street (N. Washington St. - N. Kossuth St.) \*

#### ASSESSMENT DISTRICT

3. Before the water & sewer main replacements are made, the Utility Superintendent shall cause water & sewer service laterals to be laid in the street from the water & sewer mains to the lot line of each lot fronting on the street and shall cause the amount charged to each lot for the sewer lateral only shall be entered on the tax roll as a special tax against each lot. The amount charged for said lateral shall be based upon the Housing Task Force Standardized Special Assessment Schedule for the replacement of sewer lateral, as approved by the Common Council, based upon 2023 rates, as long as the lateral is for standard service, but shall in no case exceed 100% of the total cost of the improvements. If larger service is required, the actual cost for the installation of the lateral for said lot shall be accounted for and charged to said lot and entered on the tax roll as a special tax on said lot.

In regard to the sidewalk installation, repairs, and replacements, the Street Superintendent shall keep an accurate account of the expenses incurred in front of each lot and shall report these costs to the city clerk who shall, pursuant to city ordinance relating to sidewalk replacement, cause ½ of such expense for each applicable lot to be entered on the tax roll as a special tax against the lot. In no case shall the amount assessed to a lot be more than 50% of the total cost of the sidewalk improvements benefiting the lot.

- 4. The Common Council determines that the improvements constitute an exercise of the police power for the health, safety and general welfare of the City of Berlin and its inhabitants.
- 5. The City Engineer shall prepare a report which shall consist of:
  - a. Preliminary plans and specifications for the improvements.
  - b. An estimate of the entire cost of the proposed improvements.
  - c. Schedule of proposed assessments.
- 6. When the report is completed, the City Engineer shall file a copy of the report with the City Clerk for public inspection and, if state property is to be assessed, shall mail a copy of the report to the responsible state agency and, for assessments of \$50,000.00 or more, to the Wisconsin State Building Commission.
- 7. Upon receiving the report of the City Engineer, the City Clerk shall cause notice to be given stating the nature of the proposed improvements, the general boundary lines of the proposed assessment district (including a small map thereof), the time and place at which the report may be inspected, and the time and place of the public hearing on the matters contained in the preliminary resolution and the report. This notice shall be published as a Class I Notice under Chapter 985, Stats., and a copy shall be mailed, at least ten (10) days before the hearing, to every interested party whose address is known or can be ascertained with reasonable diligence.
- 8. The hearing shall be held in the City Hall Council Chambers at 108 N. Capron St., Berlin, WI 54923 at a time set by the City Clerk in accordance with Wis. Statutes §66.0703 (7).
- 9. The assessment against any parcel may be paid in cash or in annual installments, the number of which shall be determined at the public hearing on the proposed assessments.

Passed, approved and adopted this 9th day of May, 2023.

## 2023 STREET & UTILITY IMPROVEMENTS Project Notification Information for Affected Residents

DATE: May 4, 2023

TO: Affected Residents of Lafayette Street (N. Washington-N. Kossuth)

FROM: Sara Rutkowski, City Administrator/Clerk-Treasurer

RE: 2023 STREET & UTILITY IMPROVEMENTS

As part of the 2023 STREET & UTILITY IMPROVEMENTS project, the City of Berlin intends to undertake street and utility improvements on Lafayette Street (N. Washington-N. Kossuth). The project scope is as follows:

Lafayette Street (N. Washington St. to N. Kossuth St.) – This section of roadway will receive a complete street and utility reconstruction, which shall include sanitary sewer, associated sanitary laterals, storm sewer, aggregate base course, curb & gutter, sidewalk patching, new asphalt pavement, and site restoration.

At this point in time, the project is tentatively slated to begin in July 2023 and is anticipated to be completed and open to traffic, with the exception of the final course of asphalt, in or around the end of October 2023. The final course of asphalt will be placed in June 2024, but this process will only take a few days and should not cause any traffic concerns or major inconveniences. During the 2023 construction period, the road will be open to local and emergency traffic, so you will have access to your homes. The only time you will not have access to your driveway is if there will be poured concrete for your driveway.

In May of 2023, the Common Council will adopt a preliminary resolution declaring the intent to levy special assessments for the project. There is an in person public informational meeting scheduled for Thursday, May 25<sup>th</sup> from 4:30 – 6:00 pm, with formal presentations from Kunkel Engineering at 4:30 and 5:30. Next, Council will hold a public hearing at the June 13<sup>th</sup>, 2023 7:00 p.m. Common Council meeting to receive public input.

Zoom meeting information if you are unable to attend in person:

Meeting ID: 859 0514 0084 Passcode: 123456 If you are unable to join the public hearing and have specific questions or concerns, you can still view the plans and preliminary assessments on-line or at city hall and have your questions answered via phone by any of the following:

- Brian Malnory, Water & Utility Superintendent 361-5423 bmalnory@cityofberlin.wi.gov
- Scott Zabel, Street Superintendent 361-5425 szabel@cityofberlin.wi.gov
- Don Neitzel, Kunkel Engineering 920-356-9447 dneitzel@geo-logic.com

As per the Public Hearing notice, there is an Engineer's Report on file at the City Clerk's office which may be inspected during business hours. You will be able to contact City Hall at 361-5400 for an appointment to view the plans. This report contains:

- Preliminary Resolution
- Public Hearing Notice
- Schedule of proposed special assessments against each benefitted property
- Preliminary project cost estimate for the entire project
- Abbreviated Construction plans/specifications

Enclosed you will find copies of the Preliminary Resolution, Public Hearing notice published in the Berlin Journal, and the preliminary special assessments listing by affected parcel. Below are some important notes to remember regarding special assessments:

- ASSESSMENT BILLING AMOUNTS: The final special assessment billings may be less than the preliminary amounts because the final figures are based on *actual costs* determined in the field during the construction phase.
  - O Sewer Laterals: The sewer lateral costs included in the report are shown at the maximum you would have to pay based on the 2023 Standardized Special Assessment Schedule, which is \$1,807.69 per sewer lateral. Although we need to inform you of the worst-case scenario maximum cost, it is likely your cost will be less after the bidding process and construction is completed.
  - O Water Laterals: Water laterals will be replaced from the new watermain to the property line, but will *not* be assessed to the property owners.
  - O Private Lead Water Service Laterals (portion of lateral extending from property line to meter): Lead service laterals that are identified prior to or during construction will need to be replaced per city ordinance from property line to meter. Either the property owner can contract privately with a contractor or elect to have a city contractor replace the privately-owned portion of the lead service line.
  - O Sidewalk/Carriage Walks: Spot sidewalk and carriage walk replacement along the project will only be replaced where needed. This is a cost shared 50/50 between the property owner and the City. If you do not want your existing carriage walk replaced, please contact the Street Superintendent at 361-5425.
- TIMING OF BILLING: Assessments are billed *after* project completion, which will be the fall of 2023.

- INSTALLMENT PAYMENT PLAN: Although assessments can be paid in full upon initial billing, the City does offer an installment payment plan. For those who wish to pay by the installment plan, the first payment would be due on or before Nov 1, 2023.
  - O Sewer laterals can be financed for up to 10 years at 7% interest, with a minimum annual installment payment of \$200. For example, based on \$1,807.69 for a sewer lateral, the annual installment payment would be approximately \$244 for 10 years.
  - o Private Lead Water Service Laterals (portion of lateral extending from property line to meter): This cost is the property owner's responsibility; however, the City will work with homeowners on an assessment payment plan similar to that of sewer lateral assessments.
  - o **Sidewalks/carriage walks** are also eligible for a payment deferral plan, but only if the annual payment would be over \$500.00. Due to limited sidewalk replacement and the limited carriage walk replacement on this project, it not anticipated that any property owner would qualify for the installment plan.

Please feel free to contact City Staff with any questions or concerns you may have so we can ensure a smooth project with minimal inconveniences.

Thank you,

Sara Rutkowski

# 2023 Lafayette Street Reconstruction City of Berlin, Wisconsin

Assessment Roll -

Basis for Assessments

"Assessments listed below are preliminary. The assessment amounts will be finalized after items are installed and measured for the project.

Sanitary Lateral Replacement
From the new main to the Right of Way
Homeowner assessed per LF not to exceed \$1,807.69
Reconnection fee of \$315.00 assessed for existing PVC laterals

)riveway Apron

To be replaced in kind, except gravel approaches will be replaced with asphalt
Homeowner requesting concrete approach in lieu of existing asphalt assessed for the difference between asphalt and concrete
Driveway Apron Widening
Minimum driveway width is 10'
Homeowner will be assessed per additional SF of Concrete or Ton of Asphalt required to meet a minimum 10' wide driveway
Homeowner will be assessed if requesting existing driveways 10' or wider, to be further widened

Sidewalk Replacement

Engineering and Inspection Cost
Cost will be included for each assessment based on a percentage of the unit Cost Homeowner will be assessed for sidewalk replaced at 50% of the SF price

Engineering

Total Unit Bid Price Eng/Insp Sanitary Lateral Contract Replacement Cost
Unit Bid Price \$ 60.00 Per LF Concrete Driveway Widening Contract Replacement Cost မာ 9.60 Per LF 9.54 Per SF 8.22 Per SF 1.32 Per SF

Revised: 2/10/2023

Asphalt Unit Bid Price \$ 183.28 Per Ton <del>(</del> ) 158.00 Per Ton 25.28 Per Ton

Eng/Insp \$ 1.18 Per SF Sidewalk Contract Replacement Cost
Unit Bid Price \$ 7.37 Per SF 1.18 Per SF

May 5, 2023

TO:

Common Council

FROM:

Sara Rutkowski, City Administrator

RE:

TID 10 End of Life

#### Background:

The Wisconsin Department of Revenue (DOR) is notifying municipalities who have Tax Incremental Districts (TIDs) approaching their maximum life this year. The City's TID 10 is reaching its maximum life on July 6, 2023. We must adopt a resolution to either extend or terminate this TID by **July 6.** This TID is only eligible for the one-year affordable housing extension.

If we apply for the Affordable Housing Extension, it would last for one year and 75 percent of the final increment must benefit affordable housing with the remaining portion used to improve house stock.

If we do not want to apply for the Affordable Housing Extension, we must pass a Resolution to terminate the TID.

#### Raze and Repair Orders/ Nuisance Complaints

Address of Property: 107 W Huron St.

**Property Owner Name:** Israel Barraza

Local Agent: Santiago Barraza

#### **Basic Information:**

Parcel Number: 206-01758-0000 Assessed Property Value: \$74,600.00

Est. Fair Market Value \$113,400

Occupancy? No, Two Apartments and one Retail Space

Taxes paid? No, 2021 has \$ \$2,477.64 owed and 2022 has \$2,463.60 owed

Construction in Progress? TBD

#### Neighbor complaints:

- On July 2016 Initial complaint to Community Development Director with report of extensive water damage to the interior of the property.

- November-December 2021 numerous complaints to Planning and Development Director from neighbors.

#### Contact with Owner:

#### -Previous-

- On August 25th 2016 a Letter was sent to property owner at the time, GARANA LLC, requesting entry to inspect property.
- Between March of 2018 and January 2020 Ramon Velez Aleman acquired the property and began repair of the rear roof as well as completing a new roof over the front 2/3 of the building. The Raze Order was terminated on May 2nd 2018 and he intended to have the work completed by summer 2020.
- December 14th 2020 John Ovalle was mailed a letter communicating the need for an inspection and determining this property uninhabitable.
- During December 2021 the Building Inspector and Planning & Development Director tried to talk John Ovalle into permitting an inspection and discussing plans for the property, these talks yielded nothing from him.
- From January 2022 through March 2022 John Ovalle was called monthly to inquire about his plans, of which he reiterated each time the intent to sell by the end of the contract on March 31st 2022.

#### -Current-

- On April 26 2022 the new owner contacted the Planning and Development Director to discuss permitting.
- It was stated on July 1<sup>st</sup> 2022, Israel Barraza intends to have the building secure and safe as soon as possible; to facilitate a desirable income generating apartment and have a second phase for the interior alterations needed to allow the storefront to be developed.
- As of July 1<sup>st</sup> 2022 Santiago Barraza stated to PDD they expect to be able to address the walls, flooring, ceilings and porch within the next year, with time and scope depending on how the re-roofing goes. These could be within the next year, and hopefully sooner.
- On July 25<sup>th</sup> 2022 both the Planning and Development Director then Building Inspector spoke with Santiago Barraza- the only reliable owner contact, to schedule the monthly inspection and communicate the need for a permit for the entirety of the 12-31-21 inspection required repairs. This resulted in no permission for access and no planned additional permit and/or amendment to the roofing permit.
- The owner stated to Council on 8/9/22 the roof is priority before working on any other places in the building. They have a contract ready to go for the windows in the back room. Expected completion time was 3.5 weeks.

- On September 7<sup>th</sup> 2022 the PDD called Santiago Barraza to discuss any updates. Santiago stated the sealing of the roof to mitigate future damage has been completed and he intends to follow up this with structural work, repair of the back porch including windows, electrical and heat with forthcoming permit (s).
- As of October 10<sup>th</sup> 2022 Santiago Barraza stated they are in the process of delivering the parts to install new drywall, flooring, ceilings, and windows this week. If all goes well, the work on these should commence over the next month with priority given to the windows and shoring of the back porch. The water infiltration of the roof has been mitigated with PVC tubing.

#### Extent of repairs needed vs completed (outside visibility vs inside):

- On all respective inspections below the Building Inspector communicated the necessity of repairing the structure and rear roof portion as well as removing the back porch.
- As of December 2022, the majority of the work completed within the last year has been clean-up of the debris inside the building. The work on the rear roof has not really started, with only an attempt to patch up drainage into a pvc drain being performed. There is still water infiltrating the structure from the roof through the basement in this back portion. They have ordered flooring, drywall, and windows to install in order to seal up the building, though the rear will take having a stable structure before any more weight should go onto it.
- Santiago has been in discussions with the Planning and Development Director though did not show up on Thursday, December 8<sup>th</sup> when he was to discuss potential grants and the general strategy.

#### Inspections:

- April 30 2021 the Building Inspector performed a complete inspection and drafted the progress report.
- July 28 2021 the Building Inspector performed an inspection finding no progress.
- November-December 2021 Planning and Development Director performed exterior inspections.
- On December 31 2021 the Building Inspector executed the special inspection and examined the entirety
  of the structure.
- A full inspection is scheduled for November 2<sup>nd</sup> 2022 at 10:30 A.M.
- A full inspection took place on November 9<sup>th</sup> at 10:30 AM. The owner's cousin was there to discuss the issues and hear the recommendations of the Building Inspector.

#### Permits pulled:

- On June 15<sup>th</sup> 2022 a permit was pulled for the installation of the rubber roof for the area of issue on the property, to result in the completion of a water-tight and structurally sound roof.
- Santiago Barraza has stated the remainder of the work on the 12-31-21 report will have a follow up permit pulled, depending on how the roof replacement goes, as this could reveal issues they may not know about yet.
- Roofing permit slated to expire 6/15/2023

#### Council Motions:

- From 2016-2018 Council motioned to ultimately record a raze order until agreeing to dismiss the raze order in March of 2018. Council had asked for periodic updates including October 2018 and January 2019.
- On December 7th 2021 COW instructed staff to do what it takes to get access for an inspection.
- On December 14th 2021 Council motioned to issue citations upon witnessing public nuisances.
- On January 11th 2022 Council updated their motion to recommend daily citations.
- On June 14, 2022 Council motioned to give 107 W Huron St until the next committee of the whole meeting to pull a permit as well as give a timeline to Common Council.
- On July 5<sup>th</sup> 2022 COW motioned to have the building inspector track the progress completed based off the last building inspection report as of 12/31/2021 at 107 W Huron St and have a written report presented once a month at common council meetings going forwarded.
- On August 9<sup>th</sup> 2022 Council made a motion that the owners report on any progress made to Council at next month's Council meeting. Added keeping open communication with Council is important.

#### Additional Relevant Information:

- Ramon Valez-Aleman sold the property around April 2020 before completing repairs. He had health issues and reached an impasse with fixing the property.
- Ramon Valez-Aleman had expressed interest in buying back the property multiple times between April 2020 and April 2022.
- On April 19th 2022 Green Lake County received a quit claim deed with Israel Barraza as the recipient of 107 W Huron.
- As of May  $6^{th}$  2022, there has not been a permit pulled for the work to be done at this property.
- Permit #22-83-06B pulled on May 15<sup>th</sup> 2022 for Installation of Rubber Roof.
- February 3<sup>rd</sup> 2023 Ramon Valez-Aleman came to City Hall to discuss the potential acquisition of this property.
- On April 3<sup>rd</sup>, Owner conferred with staff that the interior is still being gutted. With weather improving, they are hoping to begin outside work soon. Owner inquired on how to obtain permit for large garbage dumpster.
- Santiago stating progress on gutting interior is going well, the crew has been getting work done. Now that the weather is improving again, they again asked about dumpster permit as they have it scheduled soon.
