

Compilation of notes for the Subcommittee Report on 6.7.23

Bruce Tetske reported that he had reached out to and received responses from Tammy Baldwin and Ron Johnson. Both provided resources that the Subcommittee will need to dig into to see if there is an opportunity for finding funds among them.

Kayla Reeves reported that she set up the Facebook Page, and created a Flyer. She also reached out to Alex Baldwin and Joan Ballweg but has not heard back from either. The findings of grants available that will be sent to Becca.

Confirmed we are a member of Wisconsin Parks & Rec Association to utilize those resources. Reaching out to the Wisconsin League of Municipalities for resources.

Victoria Hill reported that she has so far been unsuccessful locating a thermometer but is still working on it. She requested the Pool Slides from Scott Zable and Rebecca Bays and was provided. These were in turn uploaded to the Facebook Page to bolster our need for funds. Allie Borland (Pool Manager) has touched base with the subcommittee with ideas for a Pool Party and would like to join the subcommittee as a community member. We received word from the City Administrator that we would not be permitted to open an account for funds received, but that they would instead need to be donated to the city, and earmarked for the Pool. Victoria recommended that everyone on the Commission become a member of the "Save the Pool - Berlin, WI" page and invite all of their local friends to it.

Daniel Ladwig (Park and Recreation Commission) added that he had reached out to both the Car Club and the ABC Group requesting booth space to set up an information table regarding the Save the Pool effort.

Joshua Madrigano (W853 Klondike Rd, Berlin) Indicated an interest to join the Subcommittee as a citizen, and also expressed a desire to save the pool, but barring an ability to do so, he recommended tearing it down and creating a splash pad.
