Rebecca explained the activities number for the Center and our meal count numbers. Our activity numbers were down by 1000 for 2024 compared to 2023. Inhouse meals were up by 88 in 2024 over 2023 and homebound meals were up by 628. Carryout meals were down by 1223. Bottom line is the Center is still trying to recover from the COVID pandemic.
