Jungenberg educated the group that the next County meeting is 2 weeks from this date in November, & last week the County C.O.A. informed its members of the “adjustments” being made to the nutrition program from both the county and federal agencies. Please take notice that the County of Green Lake Meals on Wheels (M.O.W.) program is currently seeking community sponsors for meal provisions or program supplies. This program will allow the county to provide an additional 2500 meals to its participants currently enrolled in the program. Whereas Badger Mining Inc. & Kinas Excavating Co. are the first to partner with the new M.O.W. program. It is anticipated that the M.O.W. program will now be able to serve 25,000+ meals annually for Green Lake County. The stated goal is \$30,000 to “shorten the gap as to what is needed for the program”. Current estimated costs for a single home delivered meal is \$12.
