    Jackie Mich, Principal Planner, and Hilary Rottman, Associate Planner, of Vandewall & Associates Inc. were interviewed. There were no questions for the Council.

7. Business Associate Agreement and Employee Benefits Service Agreement with Vizance – *City Administrator Balcom explained the agreement was sent to the attorney for review and this agreement includes the suggested changes. One significant change is the addition of Exhibit A. Other changes were minor. Alderperson Hill made a motion to recommend to Common Council approval of the Business Associate Agreement and Employee Benefits Service Agreement with Vizance as presented, with a second by Alderperson Femali. Voice vote carried.*

8. Review Proposals received in response to the RFP "The Future of the Berlin Aquatic Center – Pool Facility Reuse Proposal." – *City Administrator Balcom explained the two firms that submitted RFPs were not asked to present to Council as she was not sure if the submitted proposals met the intent of the RFP and was looking for Council feedback on their want to have a formal presentation. The submitted proposals offered services to help the Council and community determine what to do with the pool, rather than actual proposals of what could be done with the pool. Alderperson Hill commented the proposals were for repair of the pool, which is off the budget for a couple of years, and RFPs for repair costs were completed in the past. Mayor Burgess opined that a splash pad is a great alternative and stated she thought the Council would have a lot of support in town because it is affordable and doesn't need staffing. She stated a couple major businesses in town are willing to help fund a splash pad. Alderperson Hill commented that a splash pad addresses a small portion of the community such as young families,*

but it doesn't address the teens or elderly in the community. Mayor Burgess explained she envisioned a splash pad with a teen side and a youth side, and added there is still an indoor pool for use in the community. Discussion about the costs of a raze and removal compared to the costs of a raze and fill of the pool structure. Alderperson Przybyl asked if there were donations for the initial project, would the City be responsible for future costs. Mayor Burgess confirmed this, discussed the possibility of endowments, and added the maintenance costs of a splash pad are significantly less than the maintenance costs of a pool. Alderperson Pryzybl stated she would like to see the maintenance costs of splash pad and would like to see how it would fit into the City budget. Alderperson Femali asked if grant funding was looked into. Discussion that in the past grants had been researched, but the available grants fell outside the parameters of the pool, and recently grants had not been researched. City Administrator Balcom explained the referendum process. A referendum question needs to be submitted 70 days prior to an election, the question must be clear, and the Council should give the community time to ask questions and feel informed. Discussion on borrowing if a referendum passed. Mayor Burgess asked how to get an updated RFP or bid for the costs of a raze. City Administrator Balcom will check with the attorney to see if a bid must be accepted, and will do research on going to bid for a raze and going to RFP for what could be done on the space. Mayor Burgess explained the history of the pool to the newer Council members. The City could not afford the operational costs of the pool. RFPs were requested to see what could be done with the pool space. Mayor Burgess explained supporters thought a splash pad was a better business and budget decision. Alderperson Przybyl asked if the City would have to go to RFP for a splash pad before receiving a full commitment from supporters, and Mayor Burgess explained yes because a splash pad cost is unknown. No action taken.

9. Motion to convene into closed session pursuant to *Wis. Stats. 19.85 (1) (e) Deliberating or negotiating the purchase of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session.* Terms and Conditions of To Be Appointed Zoning Administrator Contract – *Alderperson Femali made a motion to move into closed session at 8:13PM, with a second by Alderperson Sorenson. Roll call vote carried (6 ayes: Cauley, Femali, Hill, Klawitter, Przybyl, and Sorenson; 0 nay; 0 absent).*

10. Reconvene into open session and action as appropriate from closed session discussion - *Alderperson Femali made a motion to go into open session at 9:50PM, with a second by Alderperson Sorenson. Voice vote carried.*

    Alderperson Hill made a motion to advise staff to work with Foth on a contract and recommend moving forward with Foth to the Common Council, with a second by Alderperson Przybyl. Voice vote carried.

CITY OF BERLIN
COMMITTEE OF THE WHOLE
STAFF REPORT

TO:	Committee of the Whole
FROM:	Sue Kiener, Senior Center & Recreation Facilities Director
AGENDA ITEM:	Campground Fees & Senior Center rental deposit
MEETING DATE:	November 2, 2026

BACKGROUND

At the October 2026 Parks & Recreation Commission meeting a motion was passed to recommend to Council a change in rates from $30 to $45 per night for sites N1 through N6 (50-amp service), and to disallow tent camping on those same sites.
The Commission also made a recommendation to move forward with a merchant services agreement with FISERV for the MYSites online reservation program at a rate of 2.95% plus $0.20 per transaction.

Be aware that currently a special seven-night rate is $180 for the campground, however, with the recommended rate change for sites N1 through N6 this special rate would no longer be prudent for all sites. This will be discussed at the November Parks & Recreation meeting.
These possible changes will be brought before the council in November if necessary.

In addition to campsites and shelter houses, the Senior Center will be available to rent on MYSites. The Committee on Aging recommended that the $100 deposit be waived because the website will have language to support the charging of a credit card on file for damages.

SUCCESSFUL COMMERCIAL DISTRICTS DON'T JUST HAPPEN.

They need to be planned and nurtured. Their prosperity requires interest and action from many stakeholders who share a vision for the community.

WEDC's downtown development programs are designed to help communities identify necessary initiatives, stakeholders and resources to make their downtown or urban commercial district a more vibrant and engaging place to live, work and play.

Our programs are designed around The Main Street Approach®, which provides a holistic framework for downtown revitalization focused on four key points:

Organization establishes consensus and cooperation by building partnerships among the various groups that have a stake in the commercial district.

Design works to create a safe, inviting environment for shoppers, workers and visitors while preserving a place's historic character.

Economic Vitality works to build a commercial district that responds to the needs of today's consumers while promoting economically profitable businesses and properties.

Promotion communicates unique characteristics, cultural traditions and community pride to create a positive image and attract interest in and traffic to your district.

DOWNTOWNS AND HISTORIC COMMERCIAL DISTRICTS PLAY AN IMPORTANT ROLE IN OUR COMMUNITIES AND IN WISCONSIN'S OVERALL ECONOMY.

CITY OF BERLIN
COMMITTEE OF THE WHOLE MEEETING
STAFF REPORT

TO: Common Council
FROM: Jessi Balcom, City Administrator
AGENDA ITEM: 2027 Fee Schedule
MEETING DATE: November 2, 2026

BACKGROUND

The fee schedule has been updated to include the recommended revisions to the Code of Ordinances fee schedule and the Building and Zoning fee schedule.

The $50 permit fee and $30/Linear Foot charge for curb has been clarified within the "Street, Curbs, Gutters & Sidewalks" fee amount.

The Bicycles category of the Police Uniform Deposit was updated to reflect "Bicycles, E-Bicycles, E-Scooters and Play Vehicles" per the ordinance amendments adopted in October of 2026. Please see the memo from Police Chief Knetzger. The highlighted items are to be replaced with the "Amended PD" list.

The Campground fees have been updated to reflect the Parks & Recreation Commission's recommendation to increase the fee for Sites N1-N6 (20/30/50 amp) to $45/night. The Parks & Recreation Commission will have further discussions regarding the weekly fee and then forward a recommendation to Common Council.

The Cemetery Fee Schedule has been updated. There was a minor change in the overtime rate section clarifying the number of required employees per grave type. There was a substantial change in the space repurchase section. The Board recommends removing this option. The Board researched other cemeteries and found that other cemeteries do not buy back spaces. If someone no longer wants a space they purchased an easement for, it would be their responsibility to "sell" the space. A quit claim deed would then need to be made transferring the space from the current deed holder to the next at a rate in accordance with the fee schedule, which is currently $50 per space.

The City of Berlin Building & Zoning Fee Schedule has been updated for 2027. The Building Inspectors have recommended changes to the fee schedule to bring the City of Berlin more in line with the other communities they serve.

Don Neitzel of Kunkel Engineering Group has prepared the 2027 Standardized Special Assessment Schedule. This schedule is typically approved by the Council prior to the start of the year.

SUGGESTED MOTION

Motion to recommend to the Common Council approval of the City of Berlin 2027 Fee Schedule including updates to the Police Uniform Deposit Schedule, Code Fees, Building & Zoning Fees, Standardized Special Assessments, Oakwood Cemetery Fees, Weights and Measures Fees, and Ambulance Fees

Berlin Police Department

10/27/2026

Dear Council Members:

The creation and adoption of the new bicycle, e-bicycle, and e-scooter ordinance require updates to the fee schedule and associated language. Included with this memo is the proposed fee schedule, which has been revised to align with the changes made to the ordinance.

The dollar amounts associated with these fees remain unchanged from the previous bicycle ordinance. An increase to the deposit was not considered at this time, as I believe education should take priority while residents and the city adjust to these changes. These fees can be re-evaluated in future years as technology evolves and related concerns develop or change.

Thank you for your consideration.

Respectfully,

4234

Noah T. Knetzger
Chief of Police
